

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Claire Adair
DOCKET NO.: 20-03443.001-R-1
PARCEL NO.: 15-17-306-005

The parties of record before the Property Tax Appeal Board are Claire Adair, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,634
IMPR.: \$140,118
TOTAL: \$205,752

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of brick and wood siding exterior construction built in 1990 that contains 3,844 square feet of living area. Features of the home include an unfinished full basement, central air conditioning, one fireplace and an attached garage with 864 square feet of building area. The property has a site with approximately 20,000 square feet of land area located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales improved with two-story dwellings of frame or brick and frame exterior construction built from 1988 to 1990 that range in size from 3,486 to 4,534 square feet of living area. Each comparable has a basement with three having finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 567 to 792 square feet of building area. The comparables have sites ranging in size

from 20,244 to 24,054 square feet of land area and are located within approximately .28 of one mile from the subject property. These properties sold from September 2018 to October 2019 for prices ranging from \$471,000 to \$650,000 or from \$117.63 to \$186.17 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$193,462.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$205,752. The subject's assessment reflects a market value of \$618,059 or \$160.79 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with comparable #1 being the same property as appellant's comparable sale #4. The comparables are improved with two-story dwellings of wood siding or brick and wood siding exterior construction built from 1988 to 1997 and range in size from 3,486 to 3,890 square feet of living area. Each comparable has a basement with finished area, central air conditioning, one fireplace and an attached garage ranging in size from 701 to 800 square feet of building area. The comparables have sites ranging in size from 15,050 to 30,060 square feet of land area and are located from approximately .28 to .72 of one mile from the subject property. These properties sold from May 2019 to June 2020 for prices ranging from \$649,000 to \$685,000 or from \$167.10 to \$186.17 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #3 and #4 as well as the comparable sales submitted by the board of review, which includes a common sale. These comparables are relatively similar to the subject in age, size and features with the exception each has finished basement area suggesting a downward adjustment to each comparable would be appropriate for this feature. These four comparables sold for prices ranging from \$649,000 to \$685,000 or from \$155.95 to \$186.17 per square foot of living area, including land. The subject's assessment reflects a market value of \$618,059 or \$160.79 per square foot of living area, including land, which is below the overall price range but within the range on a per square foot of living area basis as established by the best comparable sales in this record. Less weight is given appellant's comparable sale #1 as the price is an outlier in relation to the other sales in this record. The Board gives less weight to appellant's comparable sale #2 due to differences from the subject in dwelling size and the fact the property sold in September 2018, not as proximate in time to the assessment date as the best sales in this record. Based on this evidence the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
