

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Igor Komsky
DOCKET NO.: 20-03462.001-R-1
PARCEL NO.: 15-17-101-021

The parties of record before the Property Tax Appeal Board are Igor Komsky, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,381
IMPR.: \$194,265
TOTAL: \$239,646

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of Dryvit exterior construction with 5,326 square feet of living area. The dwelling was constructed in 2003. Features of the home include a basement, central air conditioning, three fireplaces, and a 638 square foot garage. The property has a 43,560 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The comparables are located within 0.66 of a mile from the subject. The parcels range in size from 43,560 to 83,200 square feet of land area and are improved with 2-story homes of brick or frame exterior construction ranging in size from 4,322 to 4,638 square feet of living area. The dwellings were built in 1987 or 1988. The appellant reported comparable #1 was recently rehabbed. Each home has a basement, two of which have finished area, central air conditioning,

three fireplaces, and a 792 or 805 square foot garage. The comparables sold in December 2019 and March 2020 for prices ranging from \$460,000 to \$560,000 or from \$99.18 to \$129.57 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$239,646. The subject's assessment reflects a market value of \$719,874 or \$135.16 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where comparable #3 is the same property as the appellant's comparable #3. The comparables are located within 0.61 of a mile from the subject. The parcels range in size from 43,560 to 45,300 square feet of land area and are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 4,313 to 6,302 square feet of living area. The dwellings were built in 1987 or 1988. Each home has a basement, two of which have finished area and one of which is a walkout basement, central air conditioning, one or three fireplaces, and a garage ranging in size from 792 to 1,086 square feet of building area. The comparables sold from July 2019 to December 2020 for prices ranging from \$485,000 to \$880,000 or from \$112.45 to \$139.64 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #2, the appellant's comparable #3/board of review's comparable #3, and the board of review's comparable #4, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables #1 and #2, which are more similar to the subject in dwelling size and features; however, these three comparables are either 13% smaller homes or a 15% larger home than the subject dwelling, are much older homes than the subject dwelling, and each have finished basement area unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from July 2019 to August 2020 for prices ranging from \$460,000 to \$880,000 or from \$99.18 to \$139.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$719,874 or \$135.16 per square foot of living area, including land, which is within the range established by the best comparable sales in this record and appears to be supported given

the subject's newer dwelling relative to the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
