

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roy Handoko
DOCKET NO.: 20-03464.001-R-1
PARCEL NO.: 15-16-315-014

The parties of record before the Property Tax Appeal Board are Roy Handoko, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,888
IMPR.: \$135,704
TOTAL: \$176,592

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,565 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 507 square foot garage. The property has a 12,632 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales presented in two grid analyses. The comparables are located within 0.14 of a mile from the subject. The parcels range in size from 8,712 to 10,890 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,347 to 2,866 square feet of living area. The dwellings were built in 1992 or 1993. The appellant reported that comparable #1 was recently rehabbed. Each

home has a basement, three of which have finished area, and a 441 or 507 square foot garage. Four homes each have central air conditioning and three homes each have a fireplace. The comparables sold from March 2019 to May 2020 for prices ranging from \$455,000 to \$530,000 or from \$166.78 to \$204.52 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$170,983 which would reflect a market value of \$513,000 or \$200.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$176,592. The subject's assessment reflects a market value of \$530,466 or \$206.81 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.39 of a mile from the subject. The parcels range in size from 10,400 to 15,010 square feet of land area and are improved with 2-story homes of wood siding or brick and wood siding exterior construction ranging in size from 2,571 to 2,834 square feet of living area. The dwellings were built from 1990 to 1995. Each home has a basement, one of which has finished area, central air conditioning, a fireplace, and a garage ranging in size from 460 to 921 square feet of building area. The comparables sold from April to September 2019 for prices ranging from \$550,000 to \$630,000 or from \$213.92 to \$222.30 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparables #1 and #2, which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #3, #4, and #5 and the board of review's comparable #3, which are identical or similar to the subject in dwelling size and are similar to the subject in age, location, lot size, and features, although one comparable lacks central air conditioning and finished basement area that are features of the subject, suggesting that upward adjustments to this comparable would be needed to make it more equivalent to the subject. These most similar comparables sold from March 2019 to May 2020 for prices ranging from \$455,000 to \$550,000 or from \$188.69 to \$213.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$530,466 or

\$206.81 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
