

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Goffman
DOCKET NO.: 20-03479.001-R-1
PARCEL NO.: 15-34-305-015

The parties of record before the Property Tax Appeal Board are Donald Goffman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,774
IMPR.: \$93,214
TOTAL: \$119,988

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of wood siding exterior construction with 1,368 square feet of living area. The dwelling was constructed in 1979. Features of the home include a lower level with 822 square feet of finished area, central air conditioning, a fireplace, and a 492 square foot garage. The property has a 7,054 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales presented in two grid analyses. The comparables are located within 0.17 of a mile from the subject. The parcels range in size from 7,055 to 7,667 square feet of land area and are improved with split-level homes of frame exterior construction with 1,452 or 1,512 square feet of living area. The dwellings were built in 1979 or 1981. Each home has a lower level with 333 or 906 square feet of finished area, central air

conditioning, and a 465 or 492 square foot garage. One home has a fireplace. The appellant reported that comparable #3 was recently rehabbed. The comparables sold from May 2018 to July 2020 for prices ranging from \$357,000 to \$365,000 or from \$236.11 to \$251.38 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$116,268 which would reflect a market value of \$348,839 or \$255.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$119,988. The subject's assessment reflects a market value of \$360,432 or \$263.47 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.61 of a mile from the subject. The parcels range in size from 7,700 to 9,670 square feet of land area and are improved with multi-level homes of wood siding or stone exterior construction ranging in size from 1,290 to 1,512 square feet of living area. The dwellings were built from 1977 to 1980. One home has a basement. Each home has a lower level, two of which have 676 or 852 square feet of finished area, central air conditioning, a fireplace, and a garage ranging in size from 465 to 546 square feet of building area. The comparables sold from February to October 2020 for prices ranging from \$388,000 to \$450,000 or from \$274.47 to \$309.49 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4, which sold less proximate in time to the assessment date than other comparables in this record. The Board gives less weight to the board of review's comparable #1, which has a basement unlike the subject and lacks finished lower level area that is a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #2 and #3, which are similar to the subject in dwelling size, age, location, and most features. These most similar comparables sold from April to October 2020 for prices ranging from \$359,000 to \$450,000 or from \$237.43 to \$309.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$360,432 or

\$263.47 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
