

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Melissa Roche
DOCKET NO.: 20-03485.001-R-1
PARCEL NO.: 15-34-101-036

The parties of record before the Property Tax Appeal Board are Melissa Roche, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,147
IMPR.: \$126,909
TOTAL: \$159,056

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,584 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement with finished area, central air conditioning and a 441 square foot garage. The property has an 11,718 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.14 of a mile from the subject property. The comparables have sites that range in size from 8,755 to 8,904 square feet of land area, are improved with two-story dwellings of frame exterior construction that range in size from 2,502 to 2,820 square feet of living area and were built in 1990. Each comparable has a basement with finished area, central air conditioning, one fireplace and a 441 square foot garage. The properties sold from April to December 2019 for prices ranging from \$325,000 to

\$532,000 or from \$124.14 to \$206.52 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$153,302 which reflects a market value of \$459,952 or \$178.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,056. The subject's assessment reflects a market value of \$477,789 or \$184.90 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.22 of a mile from the subject property. Board of review comparables #1, #2 and #3 are the same properties as the appellant's comparables #2, #3 and #4, respectively. The comparables have sites that range in size from 8,760 to 9,920 square feet of land area, are improved with two-story dwellings of wood siding exterior construction that range in size from 2,502 to 2,820 square feet of living area and were built in 1990. Each comparable has a basement, four with finished area, central air conditioning, one fireplace and a 441 square foot garage. The properties sold from April to December 2019 for prices ranging from \$485,000 to \$532,000 or from \$173.05 to \$206.52 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as three comparables were common to both parties. The Board gives less weight to the appellant's comparable #1 which appears to be an outlier as its sale price is significantly lower than all other comparables in the record. The Board also gives less weight to the board of review's comparable #4 which has an unfinished basement in contrast to the subject's finished basement.

The Board finds the best evidence of market value to be the remaining comparables, which includes the three common properties. These comparables are more similar to the subject in location, age, dwelling size and features. They sold from April to December 2019 for prices ranging from \$485,000 to \$532,000 or from \$173.05 to \$206.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$477,789 or \$184.90 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record on an overall basis and within the range on a per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
