

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zachary Hansen
DOCKET NO.: 20-03495.001-R-1
PARCEL NO.: 16-04-305-009

The parties of record before the Property Tax Appeal Board are Zachary Hansen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$129,208
IMPR.: \$60,415
TOTAL: \$189,623

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,104 square feet of living area. The dwelling was constructed in 1957. Features of the home include a concrete slab foundation, central air conditioning, two fireplaces, and a 600 square foot garage. The property has a 31,080 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.77 of a mile from the subject. The parcels range in size from 19,998 to 23,501 square feet of land area and are improved with 2-story homes ranging in size from 2,379 to 2,744 square feet of living area. The dwellings were built from 1962 to 1967. Each home has a basement, two of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 484 to 528 square

feet of building area. The comparables sold from May 2019 to May 2020 for prices ranging from \$434,000 to \$540,000 or from \$163.40 to \$216.06 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,623. The subject's assessment reflects a market value of \$569,609 or \$270.72 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.43 of a mile from the subject. The parcels range in size from 20,000 to 37,700 square feet of land area and are improved with 1.75-story or 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 1,896 to 2,936 square feet of living area. The dwellings were built from 1953 to 1977. Four homes each have a basement, one of which has finished area, and one home has a concrete slab foundation. Each home has central air conditioning and one or two fireplaces. Four comparables each have a garage ranging in size from 400 to 598 square feet of building area. The comparables sold from March to November 2020 for prices ranging from \$625,000 to \$767,500 or from \$221.39 to \$329.64 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, and #4 and the board of review's comparables #3, #4, and #5, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables #1 and #2, which are more similar to the subject in dwelling size, age, location, and features, although these comparables have basements unlike the subject and have smaller lots than the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from February to October 2020 for prices ranging from \$514,000 to \$700,000 or from \$216.06 to \$329.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$569,609 or \$270.72 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
