

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sarah Mateles
DOCKET NO.: 20-03499.001-R-1
PARCEL NO.: 15-32-204-021

The parties of record before the Property Tax Appeal Board are Sarah Mateles, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,765
IMPR.: \$80,891
TOTAL: \$111,656

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,136 square feet of living area. The dwelling was constructed in 1970. Features of the home include a crawl space foundation, central air conditioning, and a 440 square foot garage. The property has an 8,775 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales presented in two grid analyses. The comparables are located within 0.46 of a mile from the subject. The parcels range in size from 8,767 to 11,595 square feet of land area and are improved with 2-story homes of frame exterior construction with 2,136 or 2,352 square feet of living area. The dwellings were built from 1970 to 1972 with comparable #3 having an effective age of 1973. The appellant reported that

comparable #3 was recently rehabbed. Each home has central air conditioning, one or two fireplaces, and a 440 square foot garage. The comparables sold from April 2019 to June 2020 for prices ranging from \$280,000 to \$335,000 or from \$131.09 to \$156.84 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$111,656. The subject's assessment reflects a market value of \$335,404 or \$157.02 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.71 of a mile from the subject. The parcels range in size from 9,360 to 11,400 square feet of land area and are improved with 2-story homes of wood siding exterior construction with 2,136 or 2,396 square feet of living area. The dwellings were built from 1969 to 1972. Two homes each have a basement and three homes each have a crawl space foundation. Each home has central air conditioning and a 440 square foot garage. Four homes each have one fireplace. The comparables sold from March 2019 to December 2020 for prices ranging from \$350,000 to \$415,375 or from \$158.60 to \$194.46 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3 and the board of review's comparable #3, which are less similar to the subject in dwelling size than other comparables in this record. The Board gives less weight to the board of review's comparables #1 and #4, which each have a basement compared to the subject's crawl space foundation.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, #4, and #5 and the board of review's comparables #2 and #5, which are identical to the subject in dwelling size and are similar to the subject in location, lot size, age, and other features. These most similar comparables sold from April 2019 to December 2020 for prices ranging from \$280,000 to \$373,500 or from \$131.09 to \$174.86 per square foot of living area, including land. The subject's assessment reflects a market value of \$335,404 or \$157.02 per square foot of living area, including land, which is within the range established by the best comparable sales in this

record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
