

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Meggs
DOCKET NO.: 20-03576.001-R-1
PARCEL NO.: 11-29-403-008

The parties of record before the Property Tax Appeal Board are David Meggs, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,465
IMPR.: \$175,999
TOTAL: \$232,464

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,152 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 599 square foot garage. The property has a 12,180 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .25 to .83 of a mile from the subject property. The comparables have sites that range in size from 10,650 to 13,610 square feet of land area. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,350 to 3,649 square feet of living area. The dwellings were built from 1997 to 2001. The comparables each have an unfinished basement,

central air conditioning, one or two fireplaces and a garage ranging in size from 441 to 649 square feet of building area. The comparables sold from June 2019 to July 2020 for prices ranging from \$400,000 to \$540,000 or from \$119.40 to \$150.96 per square foot of living area, including land.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$189,330, which would reflect a market value of \$568,047 or \$136.81 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$232,464. The subject's assessment reflects a market value of \$698,300 or \$168.18 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located from .20 to .86 of a mile from the subject property. The comparables have sites that range in size from 10,780 to 17,630 square feet of land area. The comparables are improved with two-story dwellings of brick, or brick and wood siding exterior construction ranging in size from 4,121 to 4,278 square feet of living area. The dwellings were built from 2002 to 2013. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 714 to 750 square feet of building area. The comparables sold from July 2019 to December 2020 for prices ranging from \$702,500 to \$818,000 or from \$168.75 to \$191.21 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables due to their smaller dwelling sizes when compared to the subject. The Board has given reduced weight to board of review comparable #3 due to its newer dwelling age when compared to the subject.

The Board finds the best evidence of market value to be board of review comparables #1, #2 and #4, which are similar to the subject in location, dwelling size, design, age and some features. The comparables sold from July 2019 to November 2020 for prices ranging from \$702,500 to \$790,000 or from \$168.75 to \$184.80 per square foot of living area, including land. The subject's assessment reflects a market value of \$698,300 or \$168.18 per square foot of living area, including land, which falls below the range established by the best comparable sales in the

record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
