

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roderick O'Connor
DOCKET NO.: 20-03623.001-R-1
PARCEL NO.: 15-33-210-001

The parties of record before the Property Tax Appeal Board are Roderick O'Connor, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,196
IMPR.: \$106,791
TOTAL: \$133,987

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,278 square feet of living area. The dwelling was constructed in 1985. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 400 square foot garage. The property has a 9,898 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.30 of a mile from the subject property. The comparables have sites that range in size from 6,825 to 8,400 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 1,975 to 2,470 square feet of living area. The dwellings were built in 1985 or 1986. Each comparable has a basement, four with finished area, central air conditioning and a garage

ranging in size from 420 to 460 square feet of building area. Two comparables each have one fireplace. Comparable #5 also features an inground swimming pool. The properties sold from December 2018 to September 2019 for prices ranging from \$344,000 to \$414,000 or from \$156.68 to \$176.26 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$125,277 which reflects a market value of \$375,869 or \$165.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,987. The subject's assessment reflects a market value of \$402,484 or \$176.68 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.38 of a mile from the subject property. The comparables have sites that range in size from 6,830 to 9,050 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,040 to 2,470 square feet of living area. The homes were built from 1978 to 1987. Three comparables have an unfinished basement, one comparable has a concrete slab foundation and one comparable has a crawl space foundation. Each comparable has central air conditioning and a garage with either 420 or 460 square feet of building area. Three comparables each have one fireplace. The properties sold from July 2019 to September 2020 for prices ranging from \$405,000 to \$479,000 or from \$165.71 to \$230.39 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 through #5 along with board of review comparables #4 and #5 which have either no basement feature or a finished basement area compared to the subject's unfinished basement.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, dwelling size and features. These comparables sold from January 2019 to September 2020 for prices ranging from \$387,000 to \$479,000 or from \$156.68 to \$230.39 per square foot of living area, including land. The subject's assessment reflects a market value of \$402,484 or \$176.68 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After

considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
