

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sangho Kim  
DOCKET NO.: 20-03672.001-R-1  
PARCEL NO.: 15-14-408-004

The parties of record before the Property Tax Appeal Board are Sangho Kim, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$70,266  
**IMPR.:** \$156,390  
**TOTAL:** \$226,656

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 2,956 square feet of living area. The dwelling was constructed in 1980. Features of the home include a basement that is finished with a recreation room, central air conditioning, a fireplace and a 518 square foot garage. The property has a 20,600 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .39 of a mile from the subject property. The comparables have sites that range in size from 20,000 to 28,260 square feet of land area. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,028 to 3,430 square feet of living area. The dwellings were

built from 1980 to 1986. The comparables each have a basement, three of which are finished with a recreation room. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 441 to 825 square feet of building area. The comparables sold from June 2019 to May 2020 for prices ranging from \$418,000 to \$620,000 or from \$124.11 to \$184.69 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$174,465, which would reflect a market value of \$523,447 or \$177.08 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$226,656. The subject's assessment reflects a market value of \$680,853 or \$230.33 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .57 of a mile from the subject property. The comparables have sites that range in size from 20,090 to 25,630 square feet of land area. The comparables are improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,757 to 3,138 square feet of living area. The dwellings were built from 1978 to 1987. The comparables each have a basement, four of which are finished with a recreation room. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 420 to 828 square feet of building area. The comparables sold from May 2019 to July 2020 for prices ranging from \$690,000 to \$790,000 or from \$222.01 to \$251.75 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 through #4, as well as board of review comparable #1 due to their larger dwelling sizes and/or lack of a basement recreation room, when compared to the subject dwelling.

The Board finds the best evidence of market value to be the appellant's comparable #5 and board of review comparables #2 through #5, which are similar to the subject in location, dwelling size, design, age and some features. The comparables sold from May 2019 to May 2020 for prices ranging from \$470,000 to \$790,000 or from \$155.22 to \$251.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$680,853 or \$230.33 per

square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
