

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Donahue
DOCKET NO.: 20-03682.001-R-1
PARCEL NO.: 15-25-200-026

The parties of record before the Property Tax Appeal Board are Stephen Donahue, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$71,560
IMPR.: \$257,685
TOTAL: \$329,245

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 4,692 square feet of living area. The dwelling was constructed in 2007. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 935 square foot garage. The property has a 38,450 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 1.05 miles from the subject property. The comparables have sites that range in size from 38,333 to 46,559 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 4,253 to 5,527 square feet of living area. The dwellings were built from 1990 to 2007. Each comparable has a basement with finished area, central air conditioning, two or

three fireplaces and a garage ranging in size from 864 to 1,089 square feet of building area. The properties sold from March 2019 to June 2020 for prices ranging from \$950,000 to \$1,250,000 or from \$184.55 to \$259.82 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$319,024 which reflects a market value of \$957,168 or \$204.00 per square foot of living area, land included, when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$329,245. The subject's assessment reflects a market value of \$989,021 or \$210.79 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.63 of a mile from the subject property. Board of review comparables #1 and #3 are the same properties as the appellant's comparables #3 and #4, respectively. The comparables have sites that range in size from 43,300 to 126,630 square feet of land area and are improved with one-story or two-story dwellings of brick or brick and wood siding exterior construction that range in size from 4,253 to 4,811 square feet of living area. The homes were built from 1990 to 2005. Each comparable has a basement, two with finished area, central air conditioning, two or three fireplaces and a garage ranging in size from 964 to 1,320 square feet of building area. The properties sold from March 2019 to October 2020 for prices ranging from \$855,000 to \$1,250,000 or from \$184.15 to \$269.47 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as two comparables were common to both parties. The Board gives less weight to the appellant's comparable #1 along with board of review comparables #2 and #4 which differ from the subject in design, dwelling size and/or site size.

The Board finds the best evidence of market value to be the remaining comparables, which includes the two common properties. These comparables are relatively similar to the subject in location, age, design, dwelling size, land area and features. The best comparables sold from March to May 2019 for prices ranging from \$950,000 to \$1,250,000 or from \$188.42 to \$259.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$989,021 or \$210.79 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the

comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
