

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judith Pappageorge  
DOCKET NO.: 20-03702.001-R-1  
PARCEL NO.: 15-30-401-036

The parties of record before the Property Tax Appeal Board are Judith Pappageorge, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,879  
**IMPR.:** \$66,014  
**TOTAL:** \$87,893

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story condominium unit of wood siding exterior construction with 1,762 square feet of living area. The dwelling was constructed in 1975. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 276 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .78 of a mile from the subject property. The comparables are improved with two-story condominium units of frame exterior construction, each containing 1,762 square feet of living area. The dwellings were built in 1974 or 1976. The comparables each have a basement, three of which are finished with a recreation room. Each

comparable has central air conditioning and a 276 square foot garage. Four comparables each have one or two fireplaces. The comparables sold from May 2019 to February 2020 for prices ranging from \$228,000 to \$290,000 or from \$129.40 to \$164.59 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$84,568, which would reflect a market value of \$253,729 or \$144.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$87,893. The subject's assessment reflects a market value of \$264,022 or \$149.84 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .25 of a mile from the subject property. Board of review comparables #3 and #4 are the same properties as the appellant's comparables #5 and #4, respectively. The comparables are improved with two-story condominium units of wood siding exterior construction, each containing 1,762 square feet of living area. The dwellings were built in 1974 or 1975. The comparables each have a basement, two of which are finished with a recreation room. Each comparable has central air conditioning and a 276 square foot garage. Two comparables each have one or two fireplaces. The comparables sold from July 2019 to June 2020 for prices ranging from \$275,000 to \$310,000 or from \$156.07 to \$175.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration, as two sales were common to both parties. The Board finds all of the comparables are identical to the subject in dwelling size and design, and similar to the subject in location, age and some features. However, the Board has given less weight to appellant's comparables #2, #3 and #4/board of review #4, as well as board of review comparable #2 as each dwelling has a basement recreation room, not a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which includes one common comparable, as these three comparable dwellings have unfinished basements like the subject. The comparables sold in February or April 2020 for prices ranging from \$228,000 to \$300,000 or from \$129.40 to \$170.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$264,022 or \$149.84 per square foot of

living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences, when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
