

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Muller  
DOCKET NO.: 20-03704.001-R-1  
PARCEL NO.: 15-13-305-015

The parties of record before the Property Tax Appeal Board are John Muller, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,224  
**IMPR.:** \$137,556  
**TOTAL:** \$203,780

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,146 square feet of living area. The dwelling was built in 1969 and has an effective year built of 1971. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a 506 square foot garage. The property has a 20,470 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .39 to 1.05 miles from the subject property. The comparables have sites ranging in size from 20,470 to 30,930 square feet of land area and are improved with 1.5-story or 2-story dwellings of brick exterior construction ranging in size from 2,801 to 3,429 square feet of living area. The dwellings were built from 1966 to 1975 with comparables #1 and #3 having effective years built of 1971 and 1975,

respectively. The comparables have basements, two of which have a recreation room. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 456 to 874 square feet of building area. The comparables sold from March 2019 to May 2020 for prices ranging from \$350,000 to \$535,000 or from \$102.01 to \$173.15 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,780. The subject's assessment reflects a market value of \$612,136 or \$194.58 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .91 miles from the subject property. The comparables have sites ranging in size from 20,040 to 26,140 square feet of land area. The comparables are improved with 1.5-story or 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,565 to 3,314 square feet of living area. The dwellings were built from 1967 to 1973 with comparables #2 and #3 having effective years built of 1970 and 1979, respectively. The comparables have basements with three having a recreation room. Each comparable has central air conditioning, one or two fireplaces and a garage that ranges in size from 456 to 575 square feet of building area. The properties sold from March 2019 to October 2020 for prices ranging from \$594,500 to \$710,000 or from \$202.17 to \$244.41 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparable #5 which is located over 1 mile from the subject on a considerably larger site when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #1 through 4 along with the board of review comparables which are more similar in location and site size. These comparables also have varying degrees of similarity to the subject in design, age, dwelling size and features as five comparables have a recreation in the basement which is not a feature of the subject. Nevertheless, these comparables sold from March 2019 to October 2020 for prices ranging from \$413,000 to \$710,000 or from \$134.15 to \$244.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$612,136 or \$194.58 per square foot of living area, including land, which is within the range established by the best

comparable sales in the record. Therefore, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
