

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eugene Kaykov  
DOCKET NO.: 20-03706.001-R-1  
PARCEL NO.: 15-09-315-007

The parties of record before the Property Tax Appeal Board are Eugene Kaykov, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$37,946  
**IMPR.:** \$150,554  
**TOTAL:** \$188,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,461 square feet of living area. The dwelling was built in 1999. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a 704 square foot garage. The property has a 9,580 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .18 miles from the subject property. The comparables have sites with either 8,280 or 10,020 square feet of land area and are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,441 to 3,476 square feet of living area. The dwellings were built in 1998 or 1999. The comparables have basements, one of which has a recreation room. Each comparable has central

air conditioning and a 484 square foot garage. The comparables sold from March 2019 to July 2020 for prices ranging from \$456,500 to \$560,000 or from \$131.56 to \$160.56 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,500. The subject's assessment reflects a market value of \$566,236 or \$163.60 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within .18 miles from the subject property. Comparables #2 and #3 are duplicates of appellant's comparables #2 and #1, respectively. The comparables have sites with either 8,280 or 10,890 square feet of land area and are improved with two-story dwellings of wood siding exterior construction. Each dwelling has 3,476 square feet of living area and was built in either 1998 or 1999. The comparables have basements with one having a recreation room. Each comparable has central air conditioning and a 484 square foot garage. The properties sold from March 2019 to February 2020 for prices ranging from \$550,000 to \$560,000 or from \$158.23 to \$161.10 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Both parties' evidence disclosed the subject sold in June 2018 for a price of \$550,000 or \$158.91 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five suggested comparable sales for the Board's consideration as two comparables were common to both parties. The Board gives less weight to appellant's comparable #1 and board of review comparable #1 as each comparable has a recreation room in the basement unlike the subject.

The Board finds the best evidence of market value to be the parties' three remaining comparables, two of which are common comparables. These comparables are similar to the subject in location, site size, design, age, and features with the exception that each comparable has a smaller garage and lacks a fireplace. These comparables sold from March 2019 to July 2020 for prices ranging from \$550,000 to \$560,000 or from \$158.23 to \$161.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$566,236 or \$163.60 per square foot of living area, including land, which is above the range established by the best comparable sales in the record. However, after considering adjustments to the best

comparables for differences in features when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
