

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Podber
DOCKET NO.: 20-03715.001-R-1
PARCEL NO.: 15-29-414-010

The parties of record before the Property Tax Appeal Board are David Podber, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,651
IMPR.: \$134,905
TOTAL: \$164,556

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,871 square feet of living area. The dwelling was built in 1980. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a 462 square foot garage. The property has a 7,320 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .48 miles from the subject property. The comparables have sites ranging in size from 7,245 to 8,775 square feet of land area and are improved with two-story dwellings of frame exterior construction ranging in size from 2,426 to 2,598 square feet of living area. The dwellings were built from 1970 to 1983 with effective years built from 1974 to 1988. The comparables have basements, three of which

have finished area. Each comparable has central air conditioning, three comparables have a fireplace, and each comparable has a garage with either 399 or 440 square feet of building area. The appellant's evidence disclosed comparables #1 and #3 were recent rehabs in 2013 and 2002, respectively. The comparables sold from July 2019 to March 2020 for prices ranging from \$405,000 to \$440,000 or from \$162.26 to \$171.54 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$164,556. The subject's assessment reflects a market value of \$494,311 or \$172.17 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .78 miles from the subject property. The comparables have sites ranging in size from 6,970 to 15,550 square feet of land area and are improved with two-story dwellings of wood siding or wood siding and brick exterior construction. The dwellings range in size from 2,456 to 3,133 square feet of living area and were built from 1981 to 2012. The comparables have basements with two having a recreation room. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 400 to 711 square feet of building area. The properties sold from October 2019 to July 2020 for prices ranging from \$476,000 to \$569,000 or from \$175.82 to \$193.81 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1, #3 and #4 which have finished basement area unlike the subject. The Board gives less weight to board of review comparables #2, #3 and #4 which are newer dwellings and/or have finished basement area when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #2 and board of review comparable #1 which have unfinished basements and are relatively similar to the subject in location, age, dwelling size and other features. The two best comparables sold in September 2019 and July 2020 for prices of \$440,000 and \$476,000 or \$169.36 and \$193.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$494,311 or \$172.17 per square foot of living area, including land, which is bracketed by the best comparables on price per square foot but falls above on overall price. The higher overall price is

is supported when considering the subject's larger dwelling size. Therefore, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
