

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marilyn Gross  
DOCKET NO.: 20-03742.001-R-1  
PARCEL NO.: 15-15-404-096

The parties of record before the Property Tax Appeal Board are Marilyn Gross, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$47,525  
**IMPR.:** \$84,002  
**TOTAL:** \$131,527

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story condominium unit with 2,181 square feet of living area that was constructed in 2002. Features of the home include a concrete slab foundation, central air conditioning and a 324 square foot garage. The property is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five properties located within 0.05 of a mile from the subject property. The comparable sales are improved with 1-story condominium units ranging in size from 1,591 to 1,952 square feet of living area. The dwellings were built in 2002 or 2004. Each comparable has a concrete slab foundation, central air conditioning and a garage ranging in size from 162 to 378 square feet of building area. Two comparables each have one fireplace. The properties sold from July 2019 to July 2020 for prices ranging from \$270,000 to \$340,000 or

from \$147.30 to \$177.25 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$113,094 which reflects a market value of \$339,316 or \$155.58 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,527. The subject's assessment reflects a market value of \$395,095 or \$181.15 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.05 of a mile from the subject property. Board of review comparables #4 and #5 are the same properties as appellant comparables #2 and #5, respectively. The comparables are improved with 1-story condominium units ranging in size from 1,880 to 2,010 square feet of living area. The homes were built in 2002 or 2004. Each comparable has a concrete slab foundation, central air conditioning and a garage ranging in size from 162 to 418 square feet of building area. The properties sold from February 2019 to September 2020 for prices ranging from \$300,000 to \$391,500 or from \$159.57 to \$194.78 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration as two properties were common to both parties. The Board gives less weight to appellant comparables #1, #3 and #5 and board of review comparable #5, one of the common properties, which are less similar to the subject in dwelling size and garage size.

The Board finds the best evidence of market value to be appellant comparables #2 and #4 along with board of review comparables #1, #2, #3 and #4, including one of the common properties, which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from February 2019 to September 2020 for prices ranging from \$275,000 to \$391,500 or from \$147.30 to \$194.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$395,095 or \$181.15 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record on an overall market value basis and within the range on a per square foot basis. Given the subject's slightly larger dwelling size relative to each of the best comparables in the record, a higher overall market value appears to be supported. Therefore, after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
