

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bernard Beckwith  
DOCKET NO.: 20-03756.001-R-1  
PARCEL NO.: 15-28-311-015

The parties of record before the Property Tax Appeal Board are Bernard Beckwith, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$45,006  
**IMPR.:** \$123,623  
**TOTAL:** \$168,629

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,279 square feet of living area. The dwelling was constructed in 1985. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 440 square foot garage. The property has an approximately 11,720 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.69 of a mile from the subject property. The comparables have sites that range in size from 10,019 to 18,990 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 2,064 to 2,279 square feet of living area. The dwellings were built in either 1985 or 1988. Each comparable has a basement, one with finished area, central air conditioning,

one fireplace and a garage ranging in size from 400 to 483 square feet of building area. The properties sold from April 2019 to June 2020<sup>1</sup> for prices ranging from \$430,000 to \$505,000 or from \$190.94 to \$222.87 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$164,072 which reflects a market value of \$492,265 or \$216.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$168,629. The subject's assessment reflects a market value of \$506,546 or \$227.27 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, as its comparable #2 was also submitted as comparable #5. The four properties are located within 0.69 of a mile from the subject property. Board of review comparables #2 and #4 are the same properties as the appellant's comparables #4 and #3, respectively. The comparables have sites that range in size from 10,000 to 10,450 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,064 to 2,279 square feet of living area. The homes were built from 1985 to 1989. Each comparable has a basement, two with finished area, central air conditioning, one fireplace and a 400 or 440 square foot garage. The properties sold from June 2018 to June 2020 for prices ranging from \$460,000 to \$520,000 or from \$221.59 to \$229.55 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as two properties were common to both parties. The Board gives less weight to board of review comparable #3 which sold in 2018, less proximate to the assessment date at issue than other comparables in the record.

The Board finds the best evidence of market value to be the appellant's comparables along with board of review comparables #1, #2 and #4, including the two common properties, which are similar to the subject in location, age, design, dwelling size and some other features. These best comparables sold from April 2019 to June 2020 for prices ranging from \$430,000 to \$520,000 or

<sup>1</sup> The appellant reports its comparable #3 to have a sale date of July 2020. The board of review reports this same property to have a June 2020 sale date. The Board will use the June 2020 sale date in this decision, to assist the reader.

from \$190.94 to \$228.17 per square foot of living area, including land. The subject's assessment reflects a market value of \$506,546 or \$227.27 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
