

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ninel Holub
DOCKET NO.: 20-03764.001-R-1
PARCEL NO.: 15-21-210-005

The parties of record before the Property Tax Appeal Board are Ninel Holub, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,261
IMPR.: \$161,962
TOTAL: \$193,223

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,414 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement, central air conditioning, a fireplace, and a 691 square foot garage. The property has an approximately 10,020 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.29 of a mile from the subject. The parcels range in size from 10,450 to 16,990 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 3,001 to 3,881 square feet of living area. The dwellings were built in 1997 or 1998. Each home has a basement, three of which have finished area, central air conditioning, and a garage ranging in

size from 483 to 704 square feet of building area. Four homes each have one or two fireplaces. The comparables sold from January 2019 to May 2020 for prices ranging from \$508,000 to \$587,000 or from \$149.50 to \$169.28 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,223. The subject's assessment reflects a market value of \$580,424 or \$170.01 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparables #1 and #2 are the same properties as the appellant's comparables #5 and #1, respectively. Comparables #3, #4, and #5 are located within 0.24 of a mile from the subject. The parcels range in size from 10,020 to 13,500 square feet of land area and are improved with 2-story homes of 3,189 to 3,881 square feet of living area. The dwellings were built in 1996 or 1998. Each home has a basement, one of which has finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 506 to 682 square feet of building area. The comparables sold from February to September 2020 for prices ranging from \$625,000 to \$695,000 or from \$179.08 to \$195.99 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparable #1/board of review's comparable #2, the appellant's comparables #2, #3, and #4, the appellant's comparable #5/board of review's comparable #1, and the board of review's comparable #3, which are less similar to the subject in dwelling size than other comparables in this record and/or feature finished basement area unlike the subject.

The Board finds the best evidence of market value to be the board of review's comparables #4 and #5, which are more similar to the subject in dwelling size, age, location, site size, and features, although these comparables are smaller homes than the subject dwelling, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold in February and September 2020 for prices of \$625,000 and \$630,000 or for \$195.99 and \$194.26 per square foot of living area, including land,

respectively. The subject's assessment reflects a market value of \$580,424 or \$170.01 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, such as dwelling size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
