

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donna Krupowicz  
DOCKET NO.: 20-03773.001-R-1  
PARCEL NO.: 15-28-211-010

The parties of record before the Property Tax Appeal Board are Donna Krupowicz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$36,463  
**IMPR.:** \$144,967  
**TOTAL:** \$181,430

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,074 square feet of living area. The dwelling was constructed in 1987 and has a reported effective age of 1991. Features of the home include a basement, central air conditioning, a fireplace, and a 400 square foot garage. The property has an 8,750 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales presented in two grid analyses. The comparables are located within 0.38 of a mile from the subject. The parcels range in size from 10, 019 to 15,400 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,490 to 3,463 square feet of living area. The dwellings were built in 1987 or 1989 and have effective ages of 1989 or 1991. Each home has a basement, two

of which have finished area, central air conditioning, and a garage ranging in size from 400 to 483 square feet of building area. Two homes each have a fireplace. The comparables sold from June 2019 to May 2020 for prices ranging from \$535,000 and \$560,000 or from \$161.71 to \$215.02 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$177,250 which would reflect a market value of \$531,803 or \$173.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.3%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,602. The subject's assessment reflects a market value of \$575,554 or \$187.23 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where comparables #1 and #4 are the same properties as the appellant's comparables #2 and #3, respectively. Comparables #2 and #3 are located within 0.33 of a mile from the subject and have 13,275 and 15,579 square foot sites improved with 2-story homes of frame exterior construction with 2,279 or 2,375 square feet of living area. The dwellings were built in 1987 and 1988. Each home features a basement with finished area, central air conditioning, and a 440 square foot garage. One home has a fireplace. These two comparables sold in August 2019 for prices of \$460,000 and \$485,000 or for \$193.68 and \$212.81 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of five comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparable #3/board of review's comparable #4 and the board of review's comparables #2 and #3, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the appellant's comparable #2/board of review's comparable #1, which are more similar to the subject in dwelling size, age, location, site size, and features, although these comparables have larger sites than the subject and one comparable has finished basement area unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold in October 2019 and May 2020 for prices of

\$535,000 and \$560,000 or for \$194.47 and \$161.71 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$575,554 or \$187.23 per square foot of living area, including land, which is above the best comparable sales in terms of total market value but is bracketed by the best comparables on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, such as dwelling size, site size, and finished basement area, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
