

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ganesan Ganapathi
DOCKET NO.: 20-03777.001-R-1
PARCEL NO.: 15-29-210-005

The parties of record before the Property Tax Appeal Board are Ganesan Ganapathi, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,324
IMPR.: \$97,799
TOTAL: \$127,123

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,048 square feet of living area. The dwelling was constructed in 1980. Features of the home include a basement with finished area, central air conditioning, and a garage containing 440 square feet of building area. The property has an approximately 8,910 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .87 of a mile and within the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of wood siding exterior construction containing either 1,855 or 2,348 square feet of living area. The homes were built in 1975 or 1976. Each dwelling has central air conditioning, a basement with two having finished area, and a garage containing either 440 or 462 square feet of

building area. Three comparables each have a fireplace. The parcels range in size from 6,400 to 10,463 square feet of land area. The comparables sold from September 2019 to February 2020 for prices ranging from \$325,000 to \$432,000 or from \$138.42 to \$202.70 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$120,137.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$127,123. The subject's assessment reflects a market value of \$381,865 or \$186.46 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .73 of a mile of the subject, three of which are in the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,103 to 2,340 square feet of living area. The dwellings were built from 1978 to 1989. Each dwelling has central air conditioning, a basement with three having finished area, and a garage ranging in size from 400 to 462 square feet of building area. Two comparables each have a fireplace. The parcels range in size from 7,200 to 9,450 square feet of land area. The comparables sold from July 2019 to September 2020 for prices ranging from \$420,000 to \$488,000 or from \$196.58 to \$219.48 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #2 and #4 as well as board of review comparables #2 and #4 due to their unfinished basements when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #3 along with board of review comparable sales #1, #3, and #5 which are similar to the subject in dwelling size, design, location, and features. These most similar comparables sold for prices ranging from \$325,000 to \$488,000 or from \$138.42 to \$215.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$381,865 or \$186.46 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
