

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jib Jiban Patro
DOCKET NO.: 20-03779.001-R-1
PARCEL NO.: 15-29-206-008

The parties of record before the Property Tax Appeal Board are Jib Jiban Patro, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,497
IMPR.: \$93,880
TOTAL: \$118,377

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,855 square feet of living area. The dwelling was constructed in 1978. Features of the home include a basement with finished area, central air conditioning, and a garage containing 462 square feet of building area. The property has an approximately 10,300 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .34 of a mile of the subject and within the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 1,703 to 2,103 square feet of living area. The homes were built from 1978 to 1983. Each dwelling has central air conditioning, an unfinished basement, and a garage containing either 399 or 462 square feet

of building area. Two comparables each have a fireplace. The parcels range in size from 8,025 to 10,180 square feet of land area. The comparables sold from July 2019 to February 2020 for prices ranging from \$327,650 to \$355,000 or from \$159.77 to \$192.40 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$116,235.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,377. The subject's assessment reflects a market value of \$355,593 or \$191.69 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .44 of a mile of the subject and within the same assessment neighborhood code as the subject. Board of review comparable #2 is the same as appellant comparable #2. The comparables consist of two-story dwellings of wood siding exterior construction containing either 1,855 or 2,103 square feet of living area. The dwellings were built in 1975 or 1978. Each dwelling has central air conditioning, a basement with one having finished area, and a garage containing 462 square feet of building area. One comparables has a fireplace and an inground swimming pool. The parcels range in size from 6,500 to 12,160 square feet of land area. The comparables sold from July 2019 to August 2020 for prices ranging from \$355,000 to \$420,000 or from \$191.37 to \$202.70 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the board of review's comparable #4 due to its inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in age, dwelling size, location, and most features, although each has an unfinished basement suggesting upward adjustments would be necessary to make these comparables more equivalent to the subject. These most similar comparables sold for prices ranging from \$327,650 to \$420,000 or from \$159.77 to \$202.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$355,593 or \$191.69 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the

best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
