

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Furman
DOCKET NO.: 20-03815.001-R-1
PARCEL NO.: 16-29-110-021

The parties of record before the Property Tax Appeal Board are Steve Furman, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,737
IMPR.: \$224,259
TOTAL: \$277,996

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,455 square feet of living area. The dwelling was constructed in 2006. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 672 square feet of building area. The property has an 11,250 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .42 of a mile of the subject and within the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,130 to 3,796 square feet of living area. The homes were built from 1997 to 2006. Each dwelling has central air conditioning, a basement with one having

finished area, and a garage ranging in size from 462 to 667 square feet of building area. Four comparables each have a fireplace. The parcels range in size from 7,910 to 11,400 square feet of land area. The comparables sold from May 2019 to March 2020 for prices ranging from \$500,000 to \$845,000 or from \$159.74 to \$231.89 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$242,960.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$277,996. The subject's assessment reflects a market value of \$835,074 or \$241.70 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .65 of a mile of the subject and within the same assessment neighborhood code as the subject. Comparables #4 and #5 are the same properties as appellant's comparables #3 and #1, respectively. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 3,254 to 3,784 square feet of living area. The dwellings were built from 2004 to 2006. Each dwelling has central air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 462 to 807 square feet of building area. Comparable #2 has an inground swimming pool. The parcels range in size from 8,400 to 16,100 square feet of land area. The comparables sold from July 2019 to November 2020 for prices ranging from \$842,000 to \$981,000 or from \$230.31 to \$301.48 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the appellant's comparable #3/board of review comparable #4 due to its finished basement when compared to the subject, and appellant comparable #2 which appears to be an outlier due to its much lower sale price compared to the other sales in this record. The Board also gives reduced weight to board of review comparable #2 due to its inground swimming pool, which is not a feature of the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #4, and #5 along with board of review comparable sales #1, #3, and #5 which are similar to the subject in age, dwelling size, and features. These most similar comparables sold for prices ranging from \$745,000 to \$981,000 or from \$202.85 to \$301.48 per square foot of living area, including land. The subject's assessment reflects a market value of \$835,074 or \$241.70 per square foot of living

area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
