

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Claudia Prindiville
DOCKET NO.: 20-03824.001-R-1
PARCEL NO.: 15-18-104-010

The parties of record before the Property Tax Appeal Board are Claudia Prindiville, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$50,185
IMPR.: \$178,126
TOTAL: \$228,311

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of Dryvit exterior construction with 4,386 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 760 square foot garage. The property has a 23,522 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales, together with a map depicting the locations of the comparables in relation to the subject. The comparables are located within 0.24 of a mile from the subject. The parcels range in size from 23,520 to 32,220 square feet of land area and are improved with 2-story homes of wood siding and brick or Dryvit exterior construction ranging in size from 3,797 to 4,667 square feet of living area. The dwellings were

built from 1999 to 2001. Each home has a basement, two of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 688 to 690 square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold in May and December 2019 for prices ranging from \$565,000 to \$707,000 or from \$146.58 to \$151.49 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$228,311. The subject's assessment reflects a market value of \$685,825 or \$156.37 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales where comparable #3 is the same property as the appellant's comparable #2. Comparables #1 and #2 are located within 0.26 of a mile from the subject. These comparables have 31,360 or 37,460 square foot sites improved with 2-story homes of brick exterior construction with 4,478 or 4,677 square feet of living area. The dwellings were built in 2001 or 2005 and feature a basement, central air conditioning, one or two fireplaces, and a 713 or 824 square foot garage. These two comparables sold in March and November 2020 for prices of \$755,000 and \$739,000 or for \$168.60 and \$158.01 per square foot of living area, including land, respectively.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which is less similar to the subject in dwelling size than other comparables in this record, and the appellant's comparable #3, which has an inground swimming pool unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2/board of review's comparable #3 and the board of review's comparables #1 and #2, which are more similar to the subject in dwelling size, age, location, and features, although these comparables have larger lots than the subject and two comparables lack finished basement area which is a feature of the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from December 2019 to November 2020 for prices ranging from \$630,000 to \$755,000 or from \$146.58 to \$168.60 per

square foot of living area, including land. The subject's assessment reflects a market value of \$685,825 or \$156.37 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
