

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Darren Weisberg
DOCKET NO.: 20-03827.001-R-1
PARCEL NO.: 16-04-405-010

The parties of record before the Property Tax Appeal Board are Darren Weisberg, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$105,133
IMPR.: \$95,000
TOTAL: \$200,133

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 1-story part 2-story dwelling¹ of wood siding exterior construction with 2,176 square feet of living area. The dwelling was constructed in 1956. Features of the home include a basement with finished area, central air conditioning, three fireplaces, and a 420 square foot garage. The property has a 23,000 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales located within 0.73 of a mile from the subject. The parcels range in size from 15,050 to 20,530 square feet of land area and are

¹ The parties differ regarding the subject's design. The Board finds the best evidence of the subject's design is found in the subject's property record card presented by the board of review which contains a sketch with measurements and depicts second floor living area.

improved with 1-story homes ranging in size from 2,044 to 2,542 square feet of living area. The dwellings were built from 1956 to 1965. The appellant reported the comparable #6 was recently rehabbed. Each home has a basement and a garage ranging in size from 280 to 609 square feet of building area. Six homes each have central air conditioning and seven homes each have a fireplace. The comparables sold from January 2019 to July 2020 for prices ranging from \$380,000 to \$685,000 or from \$173.03 to \$269.47 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$200,133. The subject's assessment reflects a market value of \$601,181 or \$276.28 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.08 of a mile to 1.08 miles from the subject. The parcels range in size from 20,000 to 47,490 square feet of land area and are improved with 1-story, 1.75-story, or 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,070 to 2,542 square feet of living area. The dwellings were built from 1957 to 1967. Four homes each have a basement, two of which have finished area, and one home has a concrete slab foundation. Each home has central air conditioning, one or two fireplaces, and a garage ranging in size from 480 to 721 square feet of building area. The comparables sold from June 2019 to November 2020 for prices ranging from \$700,000 to \$799,000 or from \$281.67 to \$362.32 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of thirteen comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #3, #4, and #5, which are 1-story homes compared to the subject's part 2-story home.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #2, which are similar to the subject in design and are relatively similar to the subject in dwelling size, age, location, lot size, and other features. The Board recognizes that only one of these comparables has finished basement area like the subject. These most similar comparables sold in March and November 2020 for prices of \$700,000 and \$767,500 or for \$311.67 and \$314.55 per square foot of living area, including land. The subject's assessment reflects a market

value of \$601,181 or \$276.28 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
