

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jayanth Doddi
DOCKET NO.: 20-03838.001-R-1
PARCEL NO.: 06-22-310-013

The parties of record before the Property Tax Appeal Board are Jayanth Doddi, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,427
IMPR.: \$93,229
TOTAL: \$105,656

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 3,078 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement, central air conditioning, a fireplace, and a 484 square foot garage. The property has an approximately 10,830 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.42 of a mile from the subject. The parcels range in size from 8,750 to 12,560 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 2,276 to 3,246 square feet of living area. The dwellings were built from 1994 to 1998. Each home has a basement, one of which has finished area, central air conditioning, and a garage ranging in size

from 400 to 484 square feet of building area. One home has a fireplace. The comparables sold from May 2019 to May 2020 for prices ranging from \$225,000 to \$295,000 or from \$74.07 to \$98.99 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,656. The subject's assessment reflects a market value of \$317,381 or \$103.11 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on four comparable sales¹ located within 0.55 of a mile from the subject. The parcels range in size from 9,330 to 14,550 square feet of land area and are improved with 2-story homes of vinyl siding exterior construction ranging in size from 2,683 to 3,246 square feet of living area. The dwellings were built from 1995 to 1998. Each home has a basement, one of which has finished area, central air conditioning, and a garage ranging in size from 378 to 690 square feet of building area. Three homes each have a fireplace. The comparables sold from May 2019 to November 2020 for prices ranging from \$302,000 to \$380,000 or from \$103.20 to \$130.58 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #4, and #5 and the board of review's comparables #3 and #4, due to substantial differences from the subject in dwelling size and/or basement finish.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3 and the board of review's comparables #1 and #2, which are similar to the subject in dwelling size, age, location, site size, and most features. These most similar comparables sold from November 2019 to November 2020 for prices ranging from \$228,000 to \$380,000 or from \$74.07 to \$130.58 per square foot of living area, including land. The subject's assessment reflects a market value of \$317,381 or \$103.11 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

¹ Comparables #1 and #5 are duplicates.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
