

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Viorica Muresan
DOCKET NO.: 20-03850.001-R-1
PARCEL NO.: 15-23-208-009

The parties of record before the Property Tax Appeal Board are Viorica Muresan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,720
IMPR.: \$56,643
TOTAL: \$125,363

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,828 square feet of living area. The dwelling was constructed in 1957 with an effective age of 1959. Features of the home include a crawl-space foundation, central air conditioning, a fireplace, and a garage containing 600 square feet of building area. The property has a 25,265 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .34 of a mile and within the same assessment neighborhood code as the subject. The comparables consist of one-story dwellings of frame exterior construction ranging in size from 1,774 to 2,223 square feet of living area. The homes were built from 1958 to 1960 with comparable #2 having an effective age of 1965. Each dwelling has central air conditioning, one or two fireplaces, and a garage

containing either 480 or 484 square feet of building area. The parcels range in size from 19,166 to 21,780 square feet of land area. The comparables sold from September 2018 to November 2019 for prices ranging from \$274,000 to \$390,000 or from \$124.15 to \$216.97 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$113,934.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$125,363. The subject's assessment reflects a market value of \$376,579 or \$206.01 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .35 of a mile of the subject and within the same assessment neighborhood code as the subject. Comparable #1 is the same property as appellant comparable #3. The comparables consist of one-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 1,774 to 1,930 square feet of living area. The dwellings were built from 1958 to 1960 with comparable #2 having an effective age of 1962. Each dwelling has central air conditioning, a fireplace, and a garage containing 480 or 714 square feet of building area. Two comparables have crawl-space foundations and one comparable has an unfinished basement. Comparable #2 has an inground swimming pool and bath house. The parcels range in size from 19,170 to 27,440 square feet of land area. The comparables sold from April 2019 to September 2020 for prices ranging from \$369,900 to \$431,000 or from \$199.09 to \$223.32 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board with one being common to the parties. The Board gives less weight to the appellant's comparable #1 due to its more remote sale date for valuation as of January 1, 2020, and appellant comparable #2 due to its larger dwelling size compared to the subject. The Board also gives reduced weight to board of review comparable #2 due to its dissimilar foundation and inground swimming pool when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #3 along with board of review comparable sales #1 and #3, which includes the common comparable and are similar to the subject in dwelling size, location, and features. These most similar comparables sold for prices of \$369,900 and \$384,900 or for \$199.09 and \$216.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$376,579

or \$206.01 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
