

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: James P. Mataya
DOCKET NO.: 20-03858.001-R-1
PARCEL NO.: 06-22-106-038

The parties of record before the Property Tax Appeal Board are James P. Mataya, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$12,473
IMPR.:	\$82,518
TOTAL:	\$94,991

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,592 square feet of living area. The dwelling was built in 1998. Features of the home include a full basement with finished area, central air conditioning, one fireplace, and a 506 square foot attached garage. The property has an approximately 10,403 square feet of land area and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.29 of a mile from the subject. The comparables have sites that range in size from 8,750 to 12,560 square feet of land area. The appellant reported that the comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,276 to 3,090 square feet of living area. The

dwellings were built from 1994 to 1998. Each comparable has a basement with one having finished area, central air conditioning, and a 400 to 642 square foot attached garage. Three comparables each have one fireplace. The properties sold from January 2019 to May 2020 for prices ranging from \$225,000 to \$240,000 or from \$77.67 to \$98.86 per square foot of living area, land included.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$80,791, which would reflect a market value of \$242,397 or \$93.52 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,991 reflecting a market value of \$285,344 or \$110.09 per square foot of living area, including land, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.40 of a mile from the subject. The comparables have sites that range in size from 8,750 to 10,980 square feet of land area. The board of review reported that the comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,407 to 2,820 square feet of living area. The dwellings were built from 1993 to 1997. Each comparable has a basement with one having finished area, central air conditioning, and a 441 to 639 square foot attached garage. Four comparables each have one fireplace. The properties sold from May 2019 to July 2020 for prices ranging from \$291,000 to \$310,000 or from \$106.74 to \$124.01 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, #4, and #5 as well as board of review comparables #1, #2, #3 and #5 which differ from the subject in dwelling size and/or lack basement finish, a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1 and board of review comparable #4 which are more similar to the subject in location, design, age, dwelling size, basement finish, and most features. These two properties sold in March and July 2020 for prices of \$234,000 and \$310,000 or \$97.22 and \$113.97 per square foot of living area, land included, respectively. The subject's assessment reflects an estimated market value of \$285,344 or \$110.09 per square foot of living area, land included, which is bracketed by the two best

comparable sales in the record. Based on the record and after considering adjustments to the two best comparables for differences from the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
