

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kristel Demps
DOCKET NO.: 20-03864.001-R-1
PARCEL NO.: 15-22-406-046

The parties of record before the Property Tax Appeal Board are Kristel Demps, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,920
IMPR.: \$158,996
TOTAL: \$203,916

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,548 square feet of living area. The dwelling was built in 2017. Features of the home include a basement with finished area, central air conditioning, and a 400 square foot attached garage. The property is located in Lincolnshire, Vernon Township, Lake County.¹

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with different assessment neighborhood codes than the subject property and located from 1.23 to 2.05 miles from the subject. One comparable has a site with 4,792 square feet of land area. The appellant reported that the comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,144 to 2,496 square feet of living area. The dwellings were built from 1986 to

¹ Neither party provided the land size for the subject property.

1996. Each comparable has an unfinished basement, central air conditioning, one fireplace, and either a 441 or 506 square foot attached garage. The properties sold in March and May 2019 for prices ranging from \$350,000 to \$380,500 or from \$152.44 to \$165.11 per square foot of living area, land included.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$168,151, which would reflect a market value of \$504,503 or \$198.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$203,916 reflecting a market value of \$612,544 or \$240.40 per square foot of living area, including land, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject property and located within 0.17 of a mile from the subject. Two comparables have sites with either 3,210 or 3,816 square feet of land area. The board of review reported that the comparables are improved with 2-story dwellings of brick and frame exterior construction with either 2,442 or 2,496 square feet of living area. The dwellings were each built in 2017. Each comparable has an unfinished basement, central air conditioning, and either a 400 or 448 square foot attached garage. Two comparables each have one fireplace. The properties sold from September 2018 to May 2019 for prices ranging from \$601,666 to \$650,376 or from \$246.38 to \$260.57 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which are located less proximate in location to the subject than the other comparables in the record, in addition to each being older homes and two being considerably smaller in size than the subject. The Board gives reduced weight to board of review #3 which sold less proximate to the January 1, 2020 assessment date than the other comparables in the record.

The Board finds the best evidence of market value to be the board of review comparables #1 and #2 which are identical in age to the subject and overall most similar in location, design, age, dwelling size, and most features. These properties sold in February and May 2019 for prices of \$627,812 and \$650,376 or \$257.09 and \$260.57 per square foot of living area, land included, respectively. The subject's assessment reflects an estimated market value of \$612,544 or

\$240.40 per square foot of living area, land included, which falls below the two best comparable sales in the record. Based on the record and after considering adjustments to the two best comparables for differences from the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
