

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ashish Dave
DOCKET NO.: 20-03875.001-R-1
PARCEL NO.: 15-29-308-021

The parties of record before the Property Tax Appeal Board are Ashish Dave, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,770
IMPR.: \$91,659
TOTAL: \$123,429

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,136 square feet of living area. The dwelling was constructed in 1972. Features of the home include a crawl space foundation, central air conditioning, a fireplace and a 440 square foot garage. The property has a 10,180 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.¹

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .63 of a mile from the subject property. The comparables have sites that range in size from 8,340 to 9,360 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior

¹ Both parties reported the subject property was purchased in August 2018 for a price of \$360,000 or \$168.54 per square foot of living area, including land.

construction, each containing 2,136 square feet of living area. The dwellings were built from 1970 to 1972. Two comparables each have an unfinished basement and three comparables each have a crawl space foundation. Each comparable has central air conditioning, one fireplace and a 440 square foot garage. The comparables sold from March 2019 to July 2020 for prices ranging from \$280,000 to \$320,000 or from \$131.09 to \$149.81 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$101,995, which would reflect a market value of \$306,016 or \$143.27 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,429. The subject's assessment reflects a market value of \$370,769 or \$173.58 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .76 of a mile from the subject property. The comparables have sites that range in size from 8,770 to 12,340 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction with 2,115 or 2,136 square feet of living area. The dwellings were built from 1969 to 1971. One comparable has an unfinished basement and four comparables each have a crawl space foundation. Each comparable has central air conditioning and a garage with 440 or 500 square feet of building area. Four comparables each have one fireplace. The comparables sold from February 2019 to May 2020 for prices ranging from \$370,000 to \$415,375 or from \$174.86 to \$194.46 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board finds all the comparables are similar to the subject in location, dwelling size, design and age. However, the Board has given less weight to the appellant's comparables #1 and #5, along with board of review comparable #2, due to their dissimilar basement foundations when compared to the subject's crawl space foundation.

The Board finds the best evidence of market value to be the parties' remaining comparables, which have a crawl space foundation, like the subject. The comparables sold from February 2019 to June 2020 for prices ranging from \$280,000 to \$393,000 or from \$131.09 to \$185.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$370,769 or \$173.58 per square foot of living area, including land, which falls within the range

established by the best comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
