

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hui Wang  
DOCKET NO.: 20-03896.001-R-1  
PARCEL NO.: 15-32-103-066

The parties of record before the Property Tax Appeal Board are Hui Wang, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,770  
**IMPR.:** \$94,777  
**TOTAL:** \$126,547

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,712 square feet of living area. The dwelling was built in 1973 and has an effective year built of 1975. Features of the home include a crawl space foundation, central air conditioning, a fireplace, and a 440 square foot garage. The property has a 10,180 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .48 miles from the subject property. The comparables have sites ranging in size from 8,770 to 10,180 square feet of land area and are improved with two-story dwellings of wood siding exterior construction with either 2,136 or 2,712 square feet of living area and were built in 1970 or 1971. Comparable #1 has an effective year built of 1974. One comparable has a basement and four comparables have

crawl space foundations. Each comparable has central air conditioning and a garage with 440 square feet of building area. Four comparables each have a fireplace. The comparables sold from March 2019 to July 2020 for prices ranging from \$280,000 to \$355,000 or from \$130.90 to \$144.19 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$136,490. The subject's assessment reflects a market value of \$410,003 or \$151.81 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .55 miles from the subject property. The comparables have sites ranging in size from 8,770 to 10,280 square feet of land area and are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,396 to 2,622 square feet of living area. The dwellings were built in 1970 or 1972 and have effective years built from 1972 to 1975. One comparable has a basement and three comparables have crawl space foundations. Each comparable has central air conditioning, one or two fireplaces, and a garage with 440 square feet of building area. The properties sold from March 2019 to October 2020 for prices ranging from \$372,000 to \$440,000 or from \$141.88 to \$169.36 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of nine suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable sales #2 through #5 and board of review comparables #1 and #2 due to differences from the subject dwelling in size and/or foundation type.

The Board finds the best evidence of market value to be appellant's comparable #1 and board of review comparables #3 and #4 which overall are more similar to the subject in location, age, dwelling size and features. These comparables sold from August 2019 to October 2020 for prices ranging from \$355,000 to \$375,000 or from \$130.90 to \$146.71 per square foot of living area, including land. The subject's assessment reflects a market value of \$410,003 or \$151.81 per square foot of living area, including land, which is above the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
