

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ashish Sampat
DOCKET NO.: 20-03909.001-R-1
PARCEL NO.: 15-28-409-010

The parties of record before the Property Tax Appeal Board are Ashish Sampat, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,639
IMPR.: \$133,489
TOTAL: \$158,128

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,844 square feet of living area. The dwelling was constructed in 1987. Features of the home include a partial basement, that has finished area, central air conditioning, a fireplace and an attached 462 square foot garage. The property has an 8,820 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .11 to .46 of a mile from the subject. The comparables have sites ranging in size from 6,830 to 10,400 square feet of land area that are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,302 to 2,930 square feet of living area. The dwellings were built from 1980 to 1986. The comparables have full or partial basements, four of which have finished area,

central air conditioning and an attached 460 or 462 square foot garage. Two comparables each have a fireplace. The comparables sold from August 2018 to July 2019 for prices ranging from \$387,000 to \$445,000 or from \$151.88 to \$170.29 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$163,886. The subject's assessment reflects a market value of \$492,298 or \$173.10 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .08 to .50 of a mile from the subject. The board of review's comparable #5 is the same property as the appellant's comparable #2. The comparables have sites ranging in size from 6,830 to 14,250 square feet of land area that are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,444 to 3,078 square feet of living area. The dwellings were built from 1979 to 1987. The comparables have full or partial basements, four of which have finished area, central air conditioning and an attached 460 or 462 square foot garage. Four comparables each have a fireplace. The comparables sold from April 2019 to December 2020 for prices ranging from \$445,000 to \$479,000 or from \$151.88 to \$194.35 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the appellant's comparables #1, #3, #4 and #5, as well as the board of review's comparables #1 and #3, due to their sale date occurring greater than 12 months prior to the January 1, 2020 assessment date at issue and/or their considerably smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, are similar to the subject in location, style, age, size and many features. The best comparables sold from April 2019 to December 2020 for prices ranging from \$445,000 to \$475,000 or from \$151.88 to \$168.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$492,298 or \$173.10 per square foot of living area, including land, which falls above the range established by the comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive. Based on this evidence the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
