

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leonard Sieros
DOCKET NO.: 20-03947.001-R-1
PARCEL NO.: 15-24-202-010

The parties of record before the Property Tax Appeal Board are Leonard Sieros, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,773
IMPR.: \$141,599
TOTAL: \$211,372

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,214 square feet of living area. The dwelling was constructed in 1977. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 506 square foot garage. The property has an approximately 20,910 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .31 to .41 of a mile from the subject. The comparables have sites ranging in size from 20,038 to 20,909 square feet of land area that are improved with 2-story dwellings of brick and frame exterior construction ranging in size from 2,930 to 3,299 square feet of living area. The dwellings were built from 1966 to 1975, with the home built in 1966 having a 1971 effective age. The

comparables have basements, two of which have finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 456 to 550 square feet of building area. The comparables sold from February to September 2019 for prices ranging from \$485,000 to \$625,000 or from \$165.31 to \$189.45 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$211,372. The subject's assessment reflects a market value of \$634,941 or \$197.55 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .49 of a mile to 1.41 miles from the subject. The comparables have sites ranging in size from 20,470 to 37,030 square feet of land area that are improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,905 to 3,390 square feet of living area. The dwellings were built from 1967 to 1985, with homes built in 1972 and 1985 having effective ages of 1979 and 1986. Three comparables have basements, each of which have finished area, and one comparable has a crawl-space foundation. The comparables have central air conditioning, one or two fireplaces, and an attached garage ranging in size from 558 to 1,254 square feet of building area. The comparables sold from July 2019 to October 2020 for prices ranging from \$635,000 to \$710,000 or from \$187.32 to \$244.41 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4, due to their lack of finished basement area when compared to the subject. The Board also gives less weight to the board of review's comparables #2, #3 and #4, due to their location over a mile from the subject with a dissimilar crawl-space foundation or their dissimilar 1.5-story style dwelling when compared to the subject. The Board finds the parties' remaining comparables are similar to the subject in location, style and most features. The best comparables sold from February 2019 to October 2020 for prices ranging from \$488,000 to \$710,000 or from \$165.31 to \$244.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$634,941 or \$197.55 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for

differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
