

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sachin Kapoor
DOCKET NO.: 20-03961.001-R-1
PARCEL NO.: 15-32-104-007

The parties of record before the Property Tax Appeal Board are Sachin Kapoor, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,765
IMPR.: \$71,452
TOTAL: \$102,217

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 1,518 square feet of living area. The dwelling was constructed in 1971. Features of the home include a crawl space foundation, central air conditioning, one fireplace and a 260 square foot garage. The property has an approximately 8,770 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparables with recent sales that are located within 0.78 of a mile from the subject property. The appellant's comparable #2 did not have any recent sale information reported in the grid. The comparables have sites with 6,500 or 8,770 square feet of land area and are improved with a 1-story, a 1.5-story or a 2-story dwelling of wood siding exterior construction that range in size from 1,614 to 1,919 square feet of living area. The

dwellings were built from 1970 to 1975. The four comparable sales have a crawl space foundation, central air conditioning and a garage ranging in size from 364 to 462 square feet of building area. Two comparables each have one fireplace. The properties sold from April 2019 to April 2020 for prices ranging from \$262,000 to \$320,000 or from \$148.53 to \$198.20 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$93,986 which reflects a market value of \$281,986 or \$185.76 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,217. The subject's assessment reflects a market value of \$307,050 or \$202.27 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.75 of a mile from the subject property. The comparables have sites that range in size from 6,180 to 10,460 square feet of land area and are improved with a 1-story, a 1.5-story or a 2-story dwelling of wood siding exterior construction that range in size from 1,467 to 1,703 square feet of living area. The homes were built from 1972 to 1983. Two comparables each have an unfinished basement and one comparable has a crawl space foundation. Each comparable has central air conditioning and a garage ranging in size from 399 to 483 square feet of building area. Two comparables each have one fireplace. The properties sold from July 2019 to March 2020 for prices ranging from \$327,650 to \$337,000 or from \$192.40 to \$228.36 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration, as the appellant's comparable #2 lacks recent sale information. The Board gives less weight to the appellant's comparables #4 and #5 which differ from the subject in dwelling size. The Board gives less weight to the board of review's comparables #2 and #3 which differ from the subject in foundation type.

The Board finds the best evidence of market value to be appellant comparables #1 and #3 along with board of review comparable #1 which are more similar to the subject in location, age, dwelling size and other features. These comparables sold from June 2019 to April 2020 for prices ranging from \$262,000 to \$337,000 or from \$148.53 to \$217.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$307,050 or \$202.27

per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
