

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerald Groner
DOCKET NO.: 20-03971.001-R-1
PARCEL NO.: 15-18-401-049

The parties of record before the Property Tax Appeal Board are Jerald Groner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,883
IMPR.: \$164,737
TOTAL: \$214,620

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 3,268 square feet of living area. The dwelling was constructed in 2003. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 792 square foot garage. The property has an approximately 22,650 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.42 of a mile to 2.62 miles from the subject property. The comparables have sites that range in size from 40,496 to 137,214 square feet of land area and are improved with one-story dwellings of brick or frame exterior construction that range in size from 2,636 to 3,319 square feet of living area. The dwellings were built from 1974 to 1987 with comparable #3 having an effective year built of

1985. Each comparable has a basement, one with finished area, one or two fireplaces and a garage ranging in size from 910 to 1,372 square feet of building area. Two comparables have central air conditioning. The properties sold from July 2019 to March 2020 for prices ranging from \$455,000 to \$565,000 or from \$142.36 to \$190.30 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$168,830 which reflects a market value of \$506,541 or \$155.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$214,620. The subject's assessment reflects a market value of \$644,698 or \$197.28 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.09 of a mile to 1.29 miles from the subject property. The comparables have sites that range in size from 18,000 to 62,730 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 2,265 to 2,792 square feet of living area. The homes were built from 1985 to 2003. Each comparable has a basement, two with finished area, central air conditioning, one fireplace and a garage ranging in size from 529 to 726 square feet of building area. The properties sold from May 2019 to September 2020 for prices ranging from \$414,550 to \$525,000 or from \$170.13 to \$216.94 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board finds that neither parties' comparables are particularly similar to the subject as they differ from the subject in location, age, site size, dwelling size and other features. Nevertheless, these comparables sold from May 2019 to September 2020 for prices ranging from \$414,550 to \$565,000 or from \$142.36 to \$216.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$644,698 or \$197.28 per square foot of living area, including land, which falls above the range established by the best comparable sales on an overall market value basis and within the range on a per square foot basis. Given the subject's newer age and larger dwelling size, relative to other comparables in the record, a higher overall market value appears logical. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
