

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Li Jiang  
DOCKET NO.: 20-03972.001-R-1  
PARCEL NO.: 15-32-206-007

The parties of record before the Property Tax Appeal Board are Li Jiang, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$30,765  
**IMPR.:** \$107,986  
**TOTAL:** \$138,751

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,871 square feet of living area. The dwelling was constructed in 1970 and has an effective year built of 1976. Features of the home include a crawl space foundation, central air conditioning, one fireplace and a 500 square foot garage. The property has an approximately 8,770 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable properties located within 0.47 of a mile from the subject property. The comparables have sites that range in size from 8,770 to 10,610 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,115 to 2,615 square feet of living area. The dwellings were built in 1970 or 1971 with comparables #2, #3 and #4 having effective ages of 1972, 1975 and 1971,

respectively. Each comparable has a crawl space foundation, central air conditioning, one fireplace and a garage ranging in size from 420 to 500 square feet of building area. The properties sold from June 2019 to July 2020 for prices ranging from \$279,000 to \$380,000 or from \$125.15 to \$150.59 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$126,790 which reflects a market value of \$380,408 or \$132.50 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,751. The subject's assessment reflects a market value of \$416,795 or \$145.17 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.91 of a mile from the subject property. The comparables have sites that range in size from 7,640 to 9,980 square feet of land area and are improved with two-story dwellings of wood siding or brick and wood siding exterior construction that range in size from 2,456 to 2,921 square feet of living area. The homes were built from 1970 to 1989 with comparables #1 and #5 having effective ages of 1977 and 1974, respectively. Four comparables have an unfinished basement and one comparable has a crawl space foundation. Each dwelling has central air conditioning, one fireplace and a garage ranging in size from 400 to 520 square feet of building area. The properties sold from March 2019 to July 2020 for prices ranging from \$430,000 to \$476,000 or from \$147.21 to \$193.81 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1 and #5 which differ from the subject in dwelling size. The Board gives less weight to the board of review comparables #2, #3, #4 and #5 which have a basement foundation in contrast to the subject's crawl space foundation.

The Board finds the best evidence of market value to be appellant comparables #2, #3 and #4 along with board of review comparable #1 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from April 2019 to July 2020 for prices ranging from \$320,000 to \$430,000 or from \$125.15 to \$147.21 per square foot of living area, including land. The subject's assessment reflects a market value of \$416,795 or \$145.17 per square foot of living area, including land, which falls within the range established by

the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
