

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Centrella
DOCKET NO.: 20-03980.001-R-1
PARCEL NO.: 15-33-212-053

The parties of record before the Property Tax Appeal Board are Michael Centrella, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,881
IMPR.: \$114,922
TOTAL: \$161,803

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,592 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 520 square foot garage. The property has an approximately 9,740 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.29 of a mile from the subject property. The comparables have sites that range in size from 9,290 to 14,580 square feet of land area and are improved with two-story dwellings of wood siding or brick and wood siding exterior construction with either 2,592 or 3,061 square feet of living area each constructed in 1989. Each comparable has a basement, one with finished area, central air conditioning, one

fireplace and a garage ranging in size from 462 to 520 square feet of building area. The properties sold from April to December 2019 for prices ranging from \$475,000 to \$485,000 or from \$156.81 to \$183.26 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$149,237 which reflects a market value of \$447,756 or \$172.75 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,803. The subject's assessment reflects a market value of \$486,041 or \$187.52 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.75 of a mile from the subject property. The comparables have sites that range in size from 6,830 to 9,610 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,260 to 2,502 square feet of living area. The homes were built from 1979 to 1990. Each comparable has a basement, three with finished area, central air conditioning and a garage ranging in size from 416 to 460 square feet of building area. Three comparables each have one fireplace. The properties sold from April 2019 to October 2020 for prices ranging from \$475,000 to \$485,000 or from \$193.84 to \$210.18 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1 and #3 along with board of review comparable #4 which are less similar to the subject in dwelling size than other comparables in the record and/or feature an inground swimming pool which the subject property lacks.

The Board finds the best evidence of market value to be appellant comparable #2 and board of review comparables #1, #2 and #3 which are more similar to the subject in location, age, design and dwelling size but have varying degrees of similarity to the subject in basement features. These comparables sold from April 2019 to October 2020 for prices ranging from \$475,000 to \$485,000 or from \$183.26 to \$194.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$486,041 or \$187.52 per square foot of living area, including land, which falls just above the range established by the best comparable sales in this record on an overall market value basis and within the range on a per square foot basis. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
