

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jay Meyers
DOCKET NO.: 20-04032.001-R-1
PARCEL NO.: 16-28-102-006

The parties of record before the Property Tax Appeal Board are Jay Meyers, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$71,578
IMPR.: \$123,644
TOTAL: \$195,222

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,347 square feet of living area. The dwelling was constructed in 1964. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 483 square foot garage. The property has an approximately 18,360 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.19 of a mile from the subject property. Three of the comparables have sites that range in size from 12,800 to 18,270 square feet of land area. The parcels are improved with two-story dwellings of brick and wood siding exterior construction that range in size from 2,944 to 3,910 square feet of living area that were built in 1964. Each comparable has an unfinished basement, central air conditioning, one

or two fireplaces and a garage ranging in size from 462 to 506 square feet of building area. The properties sold from February to December 2019 for prices ranging from \$390,000 to \$550,000 or from \$99.74 to \$186.82 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$161,893 which reflects a market value of \$485,728 or \$145.12 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,222. The subject's assessment reflects a market value of \$586,428 or \$175.21 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.19 of a mile from the subject property. Board of review comparable #3 is a subsequent sale of the appellant's comparable #4. Four of the comparables have sites that range in size from 14,060 to 20,600 square feet of land area. The parcels are improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 3,250 to 3,654 square feet of living area that were built in 1963 or 1964. Each comparable has a basement, two with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 441 to 575 square feet of building area. Comparable #4 has an inground swimming pool. The properties sold from June 2019 to November 2020 for prices ranging from \$709,000 to \$980,000 or from \$194.31 to \$297.06 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gives less weight to appellant comparable #2 which is less similar to the subject in dwelling size than other properties in the record. The Board gives less weight to board of review comparables #1, #4 and #5 which feature finished basement area and/or an inground swimming pool, both features lacking in the subject property.

The Board finds the best evidence of market value to be appellant comparables #1, #3 and #4 along with board of review comparables #2 and #3, where board of review comparable #3 is a subsequent sale of the appellant's comparable #4. These best comparables are more similar to the subject in location, age, design, dwelling size and other features and sold from February 2019 to November 2020 for prices ranging from \$463,750 to \$740,000 or from \$144.62 to \$227.62 per square foot of living area, including land. The subject's assessment reflects a market value of

\$586,428 or \$175.21 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
