

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Barkin
DOCKET NO.: 20-04034.001-R-1
PARCEL NO.: 16-28-120-005

The parties of record before the Property Tax Appeal Board are Robert Barkin, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,588
IMPR.: \$106,730
TOTAL: \$158,318

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is reported to be a one-story dwelling of brick exterior construction with 1,652 square feet of living area. The dwelling was constructed in 1958 and features a lower level with finished area, central air conditioning, a fireplace and a 525 square foot garage. The property has an approximately 10,120 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.29 of a mile from the subject property. Four of the comparables have sites that range in size from 8,100 to 10,120 square feet of land area. The parcels are reported to be improved with one-story dwellings of brick or brick and wood siding exterior construction that range in size from 1,173 to 1,815 square feet of living area. The dwellings were built from 1958 to 1963. Each comparable has a lower

level with finished area, central air conditioning and a garage ranging in size from 276 to 550 square feet of building area. Four of the homes each have one fireplace. The properties sold from February 2019 to April 2020 for prices ranging from \$330,000 to \$485,000 or from \$221.69 to \$287.83 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$146,266 which reflects a market value of \$438,842 or \$265.64 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$158,318. The subject's assessment reflects a market value of \$475,572 or \$287.88 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where board of review comparables #1, #2, #3 and #4 are the same properties as the appellant's comparables #2, #4, #5 and #3, respectively, which were previously described. Although, board of review comparable #2 has a different sale date and price than that reported for appellant comparable #4. The properties sold from February 2019 to December 2020 for prices ranging from \$330,000 to \$485,000 or from \$260.06 to \$287.83 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five comparable sales for the Board's consideration, as four properties were common to both parties and where one of the common properties was sold twice. The Board gives less weight to appellant comparables #4 and #5 and board of review #2 and #3, two of the common properties, which are less similar to the subject in dwelling size.

The Board finds the best evidence of market value to be appellant comparables #1, #2 and #3 along with board of review comparables #1 and #4, including two of the common properties, which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from February 2019 to April 2020 for prices ranging from \$370,000 to \$485,000 or from \$221.69 to \$287.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$475,572 or \$287.88 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record on an overall market value basis and just above the range on a per square foot basis. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
