

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen O'Rourke
DOCKET NO.: 20-04077.001-R-1
PARCEL NO.: 15-21-104-105

The parties of record before the Property Tax Appeal Board are Kathleen O'Rourke, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,337
IMPR.: \$49,989
TOTAL: \$73,326

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium unit of wood siding exterior construction with 1,446 square feet of living area. The dwelling was constructed in 1990. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 231 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales of condominium units located within .70 of a mile from the subject. Each unit was constructed from 1989 to 1992 and has 1,446 square feet of living area. Features of each unit include a concrete slab foundation, central air conditioning and a 231 square foot garage. Three comparables each have a fireplace. The comparables sold from April 2019 to July 2020 for prices ranging from \$195,000 to \$255,000 or

from \$134.85 to \$176.35 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,326. The subject's assessment reflects a market value of \$220,264 or \$152.33 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales as comparables #1 and #2 are the same properties as appellant's comparables #1 and #4, respectively. Comparable sale #3 is a one-story condominium unit located .65 of a mile from the subject. This unit was constructed in 1990 and has 1,446 square feet of living area. Features of the unit include a concrete slab foundation, central air conditioning and a 231 square foot garage. The comparable sold in July 2020 for a price of \$225,000 or \$155.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable properties, with two common properties, to support their respective positions before the Property Tax Appeal Board. Each unit is identical or nearly identical to the subject in design, dwelling size, age, and features. These comparables sold from April 2019 to July 2020 for prices ranging from \$195,000 to \$255,000 or from \$134.85 to \$176.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$220,264 or \$152.33 per square foot of living area, including land, which is within the range established by the comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
