

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vijay Subramanian
DOCKET NO.: 20-04080.001-R-1
PARCEL NO.: 15-21-216-003

The parties of record before the Property Tax Appeal Board are Vijay Subramanian, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,683
IMPR.: \$157,042
TOTAL: \$198,725

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,414 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with a recreation room, central air conditioning, a fireplace and a 691 square foot garage. The property has a 10,020 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .20 of a mile from the subject property. The comparables have sites ranging in size from 10,450 to 16,990 square feet of land area and are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,001 to 3,881 square feet of living area. The dwellings were constructed in 1997 and 1998. The comparables have basements with three having a recreation room. Each

comparable has central air conditioning and a garage ranging in size from 483 to 704 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from January 2019 to May 2020 for prices ranging from \$508,000 to \$587,000 or from \$144.38 to \$169.28 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,725. The subject's assessment reflects a market value of \$596,951 or \$174.85 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .29 of a mile from the subject. The comparables have sites ranging in size from 10,020 to 13,500 square feet of land area and are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,988 to 3,414 square feet of living area. The dwellings were constructed from 1996 to 1998. The comparables have basements with one having a recreation room. Each comparable has central air conditioning and a garage ranging in size from 506 to 736 square feet of building area. Comparable #5 has an inground swimming pool. The comparables sold from August 2019 to September 2020 for prices ranging from \$540,000 to \$630,000 or from \$179.94 to \$200.80 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration which are relatively similar to the subject in location, age, design, dwelling size and some features. However, the Board gives less weight to board of review comparable #5 which has an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables. These comparables sold from January 2019 to September 2020 for prices ranging from \$508,000 to \$630,000 or from \$144.38 to \$200.80 per square foot of living area, including land. The Board finds board of review comparable #1 is identical to the subject in dwelling size and some features. This property sold for \$620,000 or \$181.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$596,951 or \$174.85 per square foot of living area, including land, which is within the range established by the best comparable sales in the record and well supported by the comparable identical in dwelling size and some features. After considering adjustments to the comparables for differences including features when

compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
