

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jin Park  
DOCKET NO.: 20-04081.001-R-1  
PARCEL NO.: 15-21-219-025

The parties of record before the Property Tax Appeal Board are Jin Park, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$26,546  
**IMPR.:** \$81,673  
**TOTAL:** \$108,219

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 1,512 square feet of living area. The dwelling was constructed in 2007. Features of the home include a finished lower level, central air conditioning, a fireplace and a 400 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .20 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or wood siding and brick exterior construction ranging in size from 1,512 to 1,874 square feet of living area. The dwellings were built from 2006 to 2012. One comparable has a finished lower level, one comparable has a

concrete slab foundation and three comparables each have a basement, one of which is finished with a recreation room. Each comparable has central air conditioning and a garage ranging in size from 400 to 441 square feet of building area. The comparables sold from April 2019 to July 2020 for prices ranging from \$291,000 to \$391,000 or from \$170.70 to \$219.17 per square foot of living area, including land.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$93,692, which would reflect a market value of \$281,104 or \$185.92 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$117,258. The subject's assessment reflects a market value of \$352,232 or \$232.96 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .16 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding and Dryvit exterior construction, each containing 1,460 square feet of living area. The dwellings were built in 2007 or 2011. Each comparable has a finished lower level, central air conditioning and a 400 square foot garage. The comparables sold from April 2019 to October 2020 for prices ranging from \$307,500 to \$338,500 or from \$210.62 to \$231.85 per square foot of living area, including land.

The board of review asserted the appellant's comparable sale #1 is a short sale. In support of this claim the board of review provided a copy of the listing sheet indicating the sale was pursuant to a short sale with the price and commission subject to lender approval.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds a reduction in the subject's assessment is warranted based upon the record evidence.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #2, #3, #4 and #5 due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the five comparables presented by the board of review, which are overall most similar to the subject in location, dwelling size, design, age and some features. These five comparables sold from

April 2019 to October 2020 for prices ranging from \$291,000 to \$338,500 or from \$192.46 to \$231.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$352,232 or \$232.96 per square foot of living area, including land, which falls above the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive. Therefore, based on this record the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
