

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joe Mathew  
DOCKET NO.: 20-04083.001-R-1  
PARCEL NO.: 15-21-410-002

The parties of record before the Property Tax Appeal Board are Joe Mathew, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$27,880  
**IMPR.:** \$153,405  
**TOTAL:** \$181,285

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,155 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement that is finished with a recreation room, central air conditioning, a fireplace and a 748 square foot garage. The property has an 11,760 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .14 of a mile from the subject property. The comparables have sites that range in size from 10,450 to 16,990 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,001 to 3,881 square feet of living area. The dwellings were built in 1997 or 1998.

The comparables each have a basement, three of which are finished with a recreation room. Each comparable has central air conditioning and a garage ranging in size from 483 to 704 square foot of building area. Four comparables each have one or two fireplaces. The comparables sold from July 2019 to May 2020 for prices ranging from \$508,000 to \$587,000 or from \$144.38 to \$175.44 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$161,765, which would reflect a market value of \$485,344 or \$153.83 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,285. The subject's assessment reflects a market value of \$544,563 or \$172.60 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .23 of a mile from the subject property. The comparables have sites that range in size from 10,020 to 13,500 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,988 to 3,414 square feet of living area. The dwellings were built in 1996 or 1997. The comparables each have a basement, two of which are finished with a recreation room. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 506 to 736 square feet of building area. The comparables sold from August 2019 to September 2020 for prices ranging from \$565,000 to \$630,000 or from \$176.34 to \$200.80 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #3, #4 and #5 due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features, except four of the seven comparables have unfinished basements in contrast to the subject's basement that is finished with a recreation room, suggesting upward adjustments would be required to make these comparables more equivalent to the subject. Nevertheless, the comparables sold from August 2019 to September 2020 for prices ranging from \$508,000 to \$630,000 or from \$169.28 to \$200.80 per square foot of living area, including land. The subject's assessment

reflects a market value of \$544,563 or \$172.60 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
