

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Kale
DOCKET NO.: 20-04085.001-R-1
PARCEL NO.: 16-09-117-008

The parties of record before the Property Tax Appeal Board are Joseph Kale, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$72,107
IMPR.: \$93,272
TOTAL: \$165,379

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,772 square feet of living area. The dwelling was built in 1976. Features of the home include a concrete slab foundation, central air conditioning, one fireplace, and a 600 square foot attached garage. The property has an approximately 13,600 square feet of land area and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.33 of a mile from the subject. The appellant reported that the comparables are improved with 1.75-story or 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,254 to 3,200 square feet of living area. The dwellings were built from 1965 to 1976. Two comparables

each have a concrete slab foundation and three comparables each have a basement with two having recreation rooms. Each comparable has central air conditioning, one or two fireplaces, and a 460 to 575 square foot garage. The properties sold in May 2019 to March 2020 for prices ranging from \$312,500 to \$575,000 or from \$103.41 to \$179.69 per square foot of living area, land included.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$153,817, which would reflect a market value of \$461,497 or \$166.49 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$165,379 reflecting a market value of \$496,783 or \$179.12 per square foot of living area, including land, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property and located within 0.31 of a mile from the subject. The comparables have sites that range in size from 12,750 to 15,390 square feet of land area. These comparables are improved with 2-story dwellings of brick and wood siding exterior construction ranging in size from 2,520 to 2,664 square feet of living area. The dwellings were built from 1967 to 1975. Three comparables each have a concrete slab foundation and two comparables each have a finished basement. Each comparable has central air conditioning, one fireplace, and a 462 to 606 square foot garage. The properties sold from April to November 2020 for prices ranging from \$555,000 to \$700,000 or from \$208.33 to \$277.78 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, and #5 as well as board of review comparables #2 and #3 which differ from the subject in dwelling size or have basement foundations, not a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 as well as board of review comparables #1, #4, and #5 which are similar to the subject in location, design, age, dwelling size, foundation style, and most features. These properties sold in June 2019 to November 2020 for prices ranging from \$425,000 to \$700,000 or from \$163.46 to \$277.78 per square foot of living area, land included. The subject's assessment reflects an estimated market value of \$496,783 or \$179.12 per square foot of living area, land included, which falls within

range of the best comparable sales in the record. Based on the record and after considering adjustments to the best comparables for differences from the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
