

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yan Fu Feng
DOCKET NO.: 20-04094.001-R-1
PARCEL NO.: 16-05-202-114

The parties of record before the Property Tax Appeal Board are Yan Fu Feng, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$101,154
IMPR.: \$205,646
TOTAL: \$306,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,694 square feet of living area. The dwelling was built in 1986. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 770 square foot attached garage. The property is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within 0.27 of a mile from the subject property. The appellant reported that the comparables are improved with 1-story, 1.75-story, or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,689 to 4,308 square feet of living area. The dwellings were built from 1979 to 1986. Each comparable has a basement with two having finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 483 to 832 square feet of building

area. Comparable #4 has an inground pool. Comparable #5 has an additional 245 square foot detached garage. The properties sold from December 2019 to July 2020 for prices ranging from \$715,000 to \$850,000 or from \$184.85 to \$226.35 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$306,800. The subject's assessment reflects a market value of \$921,598 or \$249.49 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within 0.22 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,208 to 3,778 square feet of living area. The dwellings were built in 1979 or 1985 with comparable #2 having an effective year built of 1989. Each comparable has a basement with one having finished area, central air conditioning, one to three fireplaces, and an attached garage ranging in size from 504 to 896 square feet of building area. The properties sold from May to October 2020 for prices of \$950,000 or \$975,000 or ranging from \$251.46 to \$301.67 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3, #4, and #5 as well as board of review comparable #1 which differ from the subject in basement finish or dwelling size. Additionally, the appellant's comparables #3 and #4 are reported to be 1-story designs, unlike the subject's 2-story design, the appellant's comparable # 4 has an inground pool, which is not a feature of the subject, and the appellant's comparable #5 has an additional detached garage, unlike the subject.

The Board finds the best evidence of market value to be the parties' four remaining comparables which are similar to the subject in location, design, age, dwelling size, and features. The properties sold from May to September 2020 for prices ranging from \$835,000 to \$975,000 or from \$223.19 to \$301.67 per square foot of living area, land included. The subject's assessment reflects a market value of \$921,598 or \$249.49 per square foot of living area, land included, which falls within the range established by the best comparable sales in the record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
