

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jon Adolph
DOCKET NO.: 20-04217.001-R-1
PARCEL NO.: 12-30-301-033

The parties of record before the Property Tax Appeal Board are Jon Adolph, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$116,045
IMPR.: \$329,617
TOTAL: \$445,662

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.75-story dwelling of stucco and stone exterior construction with 3,649 square feet of living area that was constructed in 2005. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 682 square foot garage. The property has an approximately 22,650 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.18 of a mile from the subject property. The comparables have sites with either 20,040 or 21,780 square feet of land area and are improved with 2-story dwellings of brick, stone or stone and stucco exterior construction that range in size from 3,510 to 3,792 square feet of living area. The dwellings were built in 2002 or 2007. Each comparable has a basement with finished area, central air

conditioning, three or four fireplaces and a garage ranging in size from 600 to 806 square feet of building area. The properties sold from September 2018 to February 2020 for prices ranging from \$1,060,000 to \$1,325,000 or from \$301.99 to \$349.42 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$422,025 which reflects a market value of \$1,266,202 or \$347.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$445,662. The subject's assessment reflects a market value of \$1,338,726 or \$366.87 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.23 of a mile from the subject property. Board of review comparable #2 is the same property as the appellant's comparable #2. The comparables have sites with either 20,040 or 21,780 square feet of land area and are improved with 1.75-story or 2-story dwellings of brick, stone or stone and wood siding exterior construction that range in size from 3,792 to 4,037 square feet of living area. The homes were built from 2004 to 2015. Each comparable has a basement with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 600 to 912 square feet of building area. The properties sold from April 2019 to November 2020 for prices ranging from \$1,325,000 to \$1,550,000 or from \$349.42 to \$387.11 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparable #1 which sold in 2018, less proximate to the January 1, 2020 assessment date than other properties in the record. The Board gives less weight to board of review comparable #4 which is newer in age when compared to the subject and other comparables in the record.

The Board finds the best evidence of market value to be appellant comparables #2 and #3 along with board of review comparables #1, #2 and #3, including the common property. These best comparables are more similar to the subject in location, age, dwelling size and other features and sold from April 2019 to February 2020 for prices ranging from \$1,060,000 to \$1,525,950 or from \$301.99 to \$377.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,338,726 or \$366.87 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After

considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified, therefore a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
