

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Cook
DOCKET NO.: 20-04238.001-R-1
PARCEL NO.: 12-20-307-006

The parties of record before the Property Tax Appeal Board are Robert Cook, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$81,609
IMPR.: \$56,711
TOTAL: \$138,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 1,868 square feet of living area. The dwelling was constructed in 1963. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 440 square foot garage. The property has an 11,050 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites ranging in size from 7,588 to 10,498 square feet of land area and are improved with 1.5-story or 2-story dwellings ranging in size from 1,584 to 2,121 square feet of living area. The dwellings were constructed from 1961 to 1977. Each comparable has an unfinished basement, central air conditioning, and a

garage ranging in size from 252 to 483 square feet of building area. Two comparables each have one fireplace. The comparables sold from May 2019 to July 2020 for prices ranging from \$379,000 to \$400,000 or from \$178.69 to \$252.53 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$149,318. The subject's assessment reflects a market value of \$448,537 or \$240.12 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .73 of a mile from the subject. These comparables have sites ranging in size from 10,350 to 13,120 square feet of land area and are improved with 1.5-story, 1.75-story or 2-story dwellings of wood siding, brick or wood siding and brick exterior construction ranging in size from 1,800 to 2,502 square feet of living area. The dwellings were built from 1941 to 1969. Each comparable has a basement, two of which have finished area, central air conditioning, one or three fireplaces and a garage ranging in size from 418 to 504 square feet of building area. The comparables sold from April 2019 to December 2020 for prices ranging from \$431,040 to \$560,000 or from \$214.23 to \$272.22 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gives less weight to appellant's comparable #3 as well as board of review comparables #1, #3, #4 and #5 due to differences from the subject in age, dwelling size and/or finished basement area.

The Board finds the best evidence of market value to be appellant's comparables #1 and #2 along with board of review comparable #2 which overall are more similar to the subject in location, age, dwelling size and features. These comparables sold from May 2019 to July 2020 for prices ranging from \$379,000 to \$431,040 or from \$178.69 to \$237.59 per square foot of living area, including land. The subject's assessment reflects a market value of \$448,537 or \$240.12 per square foot of living area, including land, which falls above the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
