

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linsford Pitts
DOCKET NO.: 20-04255.001-R-1
PARCEL NO.: 12-04-110-043

The parties of record before the Property Tax Appeal Board are Linsford Pitts, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,330
IMPR.: \$34,963
TOTAL: \$41,293

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,330 square feet of living area. The dwelling was constructed in 1950. Features of the home include an unfinished basement, a 285 square foot attached garage and a 493 square foot detached garage. The property has an approximately 9,000 square foot site and is located in North Chicago, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.84 of a mile from the subject property. The comparables have sites that range in size from 4,587 to 9,827 square feet of land area and are improved with one-story dwellings that range in size from 1,100 to 1,226 square feet of living area. The dwellings were built from 1910 to 1960. Each comparable has a basement, two dwellings have central air conditioning and three of the properties each have a

garage ranging in size from 252 to 576 square feet of building area. The properties sold from January 2018 to November 2019 for prices ranging from \$59,000 to \$101,000 or from \$48.12 to \$87.52 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$31,030 which reflects a market value of \$93,099 or \$70.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,293. The subject's assessment reflects a market value of \$124,040 or \$93.26 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from 0.36 of a mile to 1.22 miles from the subject property. The comparables have sites that range in size from 6,120 to 6,550 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,026 to 1,064 square feet of living area. The homes were built from 1959 to 1978. Each comparable has a basement with two having finished area. Two dwellings have central air conditioning and three comparables each have a garage ranging in size from 396 to 780 square feet of building area. The properties sold in August 2019 and March 2020 for prices ranging from \$126,000 to \$162,000 or from \$122.81 to \$152.26 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3 and #4 which sold in 2018, less proximate to the January 1, 2020 assessment date than other properties in the record. The Board also gives less weight to appellant comparable #2 and board of review comparable #3 which are dissimilar from the subject in location and/or age when compared to the subject.

The Board finds the best evidence of market value to be board of review comparables #1 and #2 which sold proximate in time to the assessment date at issue and are similar to the subject in location, age, design and other features. These comparables sold in August 2019 and March 2020 for prices of \$126,000 and \$162,000 or \$122.81 and \$152.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$124,040 or \$93.26 per square foot of living area, including land, which falls below the two best comparable sales in this

record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
