

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kiran Singh
DOCKET NO.: 20-04256.001-R-1
PARCEL NO.: 11-36-103-009

The parties of record before the Property Tax Appeal Board are Kiran Singh, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$47,867
IMPR.: \$112,641
TOTAL: \$160,508

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,276 square feet of living area. The dwelling was constructed in 2000. Features of the home include a walk-out style basement, central air conditioning, one fireplace and a 711 square foot garage. The property has an approximately 15,671 square foot site and is located in Mettawa, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.13 of a mile from the subject property. The comparables have sites that range in size from 12,981 to 18,687 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction that range in size from 2,735 to 3,055 square feet of living area each built in 2005. Each comparable has a basement, central air conditioning, one fireplace and a garage ranging in

size from 596 to 752 square feet of building area. The properties sold from July 2019 to July 2020 for prices ranging from \$465,000 to \$475,000 or from \$152.21 to \$173.67 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$160,508 which reflects a market value of \$481,572 or \$147.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,316. The subject's assessment reflects a market value of \$520,625 or \$158.92 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.13 of a mile from the subject property. Board of review comparables #1, #2 and #3 are the same properties as the appellant's comparables #4, #3 and #2, respectively, which were previously described. The properties sold from July 2019 to April 2020 for prices ranging from \$472,300 to \$475,000 or from \$154.83 to \$173.67 per square foot of living area, land included.

The board of review submitted comments stating the subject's 2020 assessment reflects a reduction and contending the subject has a "superior" walk-out basement. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains four comparable sales for the Board's consideration, as three of the properties were common to both parties. The Board gives less weight to appellant comparable #4 and board of review comparable #1, one of the common properties, as this dwelling has a substantially smaller dwelling size than the subject and other comparables in the record.

The Board finds the best evidence of market value to be appellant comparables #1, #2 and #3, including two of the common properties, board of review comparables #2 and #3, which are more similar to the subject in location, age, design, dwelling size and other features. These best comparables sold from July 2019 to July 2020 for prices ranging from \$465,000 to \$473,000 or from \$152.21 to \$155.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$520,625 or \$158.92 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment, commensurate with the request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
