

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT:	Mitchell Ratnow
DOCKET NO.:	20-04270.001-R-1
PARCEL NO .:	11-29-405-007

The parties of record before the Property Tax Appeal Board are Mitchell Ratnow, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$54,771
IMPR.:	\$168,797
TOTAL:	\$223,568

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,606 square feet of living area. The dwelling was constructed in 2001. Features of the home include an unfinished basement, central air conditioning, a fireplace and an 847 square foot garage. The property has an 18,584 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .63 of a mile from the subject property. The comparables have sites ranging in size from 14,952 to 20,069 square feet of land area and are improved with two-story dwellings of brick exterior construction ranging in size from 3,379 to 4,589 square feet of living area. The dwellings were constructed from 2001 to 2005. Each comparable has unfinished basement, central air conditioning, one or three fireplaces

and a garage ranging in size from 653 to 991 square feet of building area. The comparables sold from August 2018 to March 2019 for prices ranging from \$620,000 to \$805,000 or from \$161.81 to \$183.49 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$223,568. The subject's assessment reflects a market value of \$671,577 or \$186.24 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales as comparable #1 is the same as appellant's comparable #2. The comparables are located within .07 of a mile from the subject. These properties have sites of 14,950 and 15,380 square feet of land area and are improved with two-story dwellings of brick exterior construction with 3,379 and 4,163 square feet of living area and were built in 2001 and 2002, respectively. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage with either 694 or 714 square feet of building area. The comparables sold in March 2019 and May 2020 for prices of \$620,000 and \$702,500 or \$183.49 and \$168.75 per square foot of living area, land included, respectively. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains four comparable sales for the Board's consideration, as one comparable was common to both parties. The Board gives less weight to appellant's comparables #1 and #3 due to their sale dates occurring in 2018 which are less proximate in time to the January 1, 2020 assessment date than the other sales in the record.

The Board finds the best evidence of market value to be the two board of review comparables which includes the common comparable. These comparables sold more proximate in time to the assessment date at issue and are relatively similar to the subject in location, age, dwelling size and features. These comparables sold in March 2019 and May 2020 for prices of \$620,000 and \$702,500 or \$183.49 and \$168.75 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$671,577 or \$186.24 per square foot of living area, including land, which is bracketed by the two best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
