

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Prashanth Miryala
DOCKET NO.: 20-04279.001-R-1
PARCEL NO.: 11-29-312-025

The parties of record before the Property Tax Appeal Board are Prashanth Miryala, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,099
IMPR.: \$131,938
TOTAL: \$181,037

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,016 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished basement, central air conditioning, a fireplace, an inground swimming pool, and a 604 square foot garage. The property has a 11,161 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .11 of a mile from the subject property. The comparables have sites ranging in size from 11,680 to 13,750 square feet of land area and are improved with two-story dwellings of frame or brick and frame exterior construction ranging in size from 2,902 to 3,530 square feet of living area. The dwellings were constructed in 1999 and 2000. The comparables have unfinished basements, one of which is a

walkout design. Each comparable has central air conditioning and a garage ranging in size from 604 to 786 square feet of building area. Four comparables each have one fireplace. The comparables sold from January 2019 to January 2020 for prices ranging from \$482,500 to \$630,000 or from \$156.45 to \$180.91 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,037. The subject's assessment reflects a market value of \$543,818 or \$180.31 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .14 of a mile from the subject. These comparables have sites ranging in size from 10,280 to 15,700 square feet of land area and are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,666 to 3,084 square feet of living area and were built from 1998 to 2001. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 505 to 688 square feet of building area. The comparables sold from September 2019 to July 2020 for prices ranging from \$487,500 to \$575,000 or from \$182.86 to \$192.51 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Both parties disclosed the subject sold in November 2018 for \$538,000 or \$178.38 per square foot of living area, land included.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration that are similar to the subject in location, site size, age and some features. However, the Board gives less weight to appellant's comparables #2, #3 and #4 due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables which are more similar to the subject in dwelling size but each comparable lacks an inground swimming pool which is a feature of the subject. Nevertheless, these comparables sold from January 2019 to July 2020 for prices ranging from \$482,500 to \$575,000 or from \$156.45 to \$192.51 per square foot of living area, including land. The subject's assessment reflects a market value of \$543,818 or \$180.31 per square foot of living area, including land, which is within the range established by the best comparable sales in the record. After considering adjustments to the

best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
